Blavatsky, 2016-10-25 Complete and unabridged here is the unparalleled landmark of occult philosophy and lost history that reshaped the modern spiritual mindset and continues to fascinate readers today There is perhaps no greater enigma in modern Western literature than The Secret Doctrine The controversial Russian noblewoman Madame Helena Petrovna Blavatsky told the world that the book restored humanity's lost history and destiny Its insights she said had been gleaned from long secret books of wisdom and her tutelage under mahatmas or great souls adepts from the East who exposed the seeker to their esoteric teaching To read The Secret Doctrine is to enter a mysterious world of ancient cosmology and spiritual scientific insights which tell of humanity's unthinkably ancient past and its burgeoning evolution into a new more refined existence For the first time Blavatsky's encyclopedia arcana is available in a reset and redesigned single volume edition complete and unabridged Its truths and challenges are available to the intrepid reader who

may find yet unknown insights within its pages **Books in Print** ,1981 **Books in Print Supplement** ,1994 *The Chaldean Account of Genesis* George Smith,1880 *The Chaldean Account of Genesis* George Smith,2015-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant , **The Chaldean Account of Genesis** George Smith,2015-06-24 Read an invaluable collection of ancient Mesopotamian texts in *The Chaldean Account of Genesis Containing the Description of the Creation* by George Smith Smith pioneered the study of Assyriology which investigates the history and culture of Mesopotamia modern day Iraq Assyriology encompasses Biblically significant locations such as Assyria Babylonia and Sumer During his studies in Assyria Smith discovered the Epic of Gilgamesh the oldest known work of literature which is an account of the Great Flood *The Chaldean Account of Genesis Containing the Description of the Creation* collects translations of all of the major tablets that Smith discovered including the story of Gilgamesh He translates the story of the Creation as it appeared in ancient texts as well as the Tower of Babel and the Destruction of Sodom In addition to the texts that are parallel to stories from the Christian Bible Smith gathered tablets which tell the history culture and religion of ancient Mesopotamian cultures Smith discovered a tablet with the story of Ishtar goddess of sexuality and warfare who descended to the Underworld He also tells the story of the Babylonian god Zu which was then an obscure religious story to the Babylonian and Assyrians The text also includes illustrations of significant events Some of the texts are incomplete due to the nature of the ancient tablets many of which are merely fragments Still because of the meticulous work of Smith and his contemporaries readers can learn about history that had previously been lost *The Chaldean Account of Genesis Containing the Description of the Creation* is a must read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
