Challenge Of Feminist Biography Writing The Lives Of Modern American Women:

The Challenge of Feminist Biography Sara Alpern, 1992 This path breaking anthology illuminates the lives of ten influential twentieth century American women and looks at the challenges experienced by the women who have written about them Exploring the frequently complicated dialogue between writer and subject the contributors discuss tools appropriate to writing women s biography while their riveting accounts reveal how feminist scholarship led them to approach the study of women s lives in unconventional ways This wonderful collection demonstrates the significance of women s biography as a central part of feminist scholarship The feminist biographer inserts a second life into a biography her own giving us yet another layer of depth and insight Ann J Lane author of *To Herland* and *Beyond The Life and Work of Charlotte Perkins Gilman* Women's Political Communication in Africa Sharon Adetutu Omotoso, 2020-05-14 This book examines women s political communication in Africa capturing previously unheard women s voices and presenting detailed information on overlooked communication strategies and forms of power relations employed by African women and women of African descent By examining the disputes accomplishments and or setbacks experienced by women in political spaces it underscores feminist intersections of political communication in Africa It also explores the glamor humor harmony and tact that women as state and non state actors have contributed to Africa s political landscape through the realities of female soft power The book addresses issues concerning how and why women do and should participate in politics at what level they have employed political communication strategies and which types It also questions ideas and ideals that have guided or continue to guide feminist political communication in Africa s growing democracy Lastly it highlights African women s conscious approach and rejuvenated interest in developing their communication skills and strategies given their vital role in state building **Forging the Bubikopf Nation** Marina Vujnovic, 2009 The era between World Wars I and II set East Central Europe on a path of a modernization that was opening up numerous possibilities for challenging the region s traditional politics and established gender roles In interwar Yugoslavia questions of ethnically driven nationalism dominated the public discourse but the modernizing processes of industrialization and rising consumerism also opened up a small public space for the development of the women s press The intuitive and change driven Croatian journalist and novelist Marija Juri Zagorka led this parallel and alternative public discourse in Yugoslavia s most popular interwar women s magazine *Zenski list* *Forging the Bubikopf Nation* is a book about this magazine its editor and its readers as well as about the alternative visions of modernity that they were offering to the magazine s readers both throughout Yugoslavia and within the diasporic communities in the United States and Canada during the thirteen years of the magazine s existence from 1925 1938 Sensitively written but researched with great methodological rigor and from a range of theoretical perspectives this is a must read book for all of those who are interested in mass communication history gender and politics and for those who want to better understand this pivotal time in the history of a highly complex and intriguing part of the world *Women in Law*

Forty three women who have made major contributions to the law through their work in the legal profession scholarly legal research and political activism directed at socio legal reforms are profiled in this bio bibliographical sourcebook The women featured are from countries and regions with a Western legal tradition including North America Europe Israel Japan the Philippines and Africa Each profile contains extended biographical information their family backgrounds education and career development and their significant achievements and contributions to law The women featured include a number of those who were path breakers like Sandra Day O Connor the first woman justice of the U S Supreme Court and Bertha Wilson the first woman to sit on the Canadian Supreme Court Scholars like Margaret Somerville Canada and Beverly Blair Cook U S and political activists like Helene St Docker Germany and Leah Tsemel Israel are also included The introduction to the work presents a comprehensive and historical overview of the role of women as citizens scholars lawyers judges office holders and activists and also provides a review of the scholarship on women in law [Flora White](#) Linda C.

Morice, 2016-10-31 [Flora White](#) In the Vanguard of Gender Equity draws on a collection of personal papers only recently made available to scholars to present the life of a colorful New England educator who lived from the Civil War to the Cold War Throughout her career White worked to promote the physical and intellectual growth of girls and young women beyond the narrow gender stereotypes of the day Although White s name is not a household word this book represents a newer form of biography in which the life of a lesser known individual serves as a lens for understanding larger social and cultural developments In Flora White s case this newer biographical approach produced findings to inform research in both educational history and gender studies For example White s papers correct some longstanding misconceptions about the origins of the progressive education movement and the role women played in it White s sources also shed light on the complicated relationships of educated but marginalized U S women and the prominent men who mentored them In addition White s papers show that in order to protect herself from those who might find her words objectionable she used coded language such as poetry to counter sexist stereotypes and advance her desire for a fuller life for her students and herself Although upon her death a newspaper obituary praised White for being recognized by men of note in educational circles her efforts to promote the physical and intellectual development of girls and women helped to create opportunity that is still unfolding today
