Challenge Of Cultural Pluralism:

The Challenge of Cultural Pluralism Stephen Brooks,2002-10-30 Many believe that we are passing through a period during which due largely to globalization s challenge to the idea and sovereignty of nation states there is now the intellectual and political space for the construction of new models of citizenship involving new relations between individuals and their governments These new relations may be mediated through individuals membership in communities that are recognized within states In various ways the resurgence of ethnic nationalism the rise of multiculturalism the ideas associated with communitarianism and the apparent erosion of national sovereignty have all contributed to the creation of this interest in new ways of conceptualizing citizenship and carrying out the tasks of governance Brooks and his colleagues examine various aspects of the challenge of cultural pluralism Together they cover a wide range of national cases theoretical issues and empirical research The collection is intended for all scholars students and researchers who have an interest in cultural pluralism consociationalism and inter community relations in socieites divided by language ethnicity and culture
