Challenge Of Jesus Parables

John Dominic Crossan

Challenge Of Jesus Parables:

The Challenge of Jesus' Parables Richard N. Longenecker, 2000 A fresh look at the meaning of Jesus parables for Christian living today The parables recorded in the Gospels are central for an understanding of Jesus and his ministry Yet the parables are more than simple stories they present a number of obstacles to contemporary readers hoping to fully grasp their meaning In this volume thirteen New Testament scholars provide the background necessary to understand the original context and meaning of Jesus parables as well as their modern applications all in a manner easily accessible to general readers Contributors Stephen C Barton Craig A Evans Richard T France Donald A Hagner Morna D Hooker Sylvia C Keesmaat Michael P Knowles Walter L Liefeld Richard N Longenecker Allan W Martens Klyne R Snodgrass Robert H Stein Stephen I Wright In Parables John Dominic Crossan, 1992 John Domonic Crossan boldly attempts to understand the parables from inside their own world In Parables sets the reading and study of the parables in an entirely new context

Parables Josh Scott, 2025-02-04 Read the stories of Jesus in a new light When Jesus taught in parables he was doing more than telling simple morality tales His stories were grounded in the world in which he lived and his vision of the Kingdom of God This book explores six parables that give us a window into Jesus s message and movement and once they are heard in their own context ask what they might mean for us today Parables include the New Wine and Wineskins the Mustard Seed the Leaven the Wedding Party the Workers in the Vineyard and the Wicked Tenants Other components for the study include a leader guide and teaching video are available **The Power of Parable** John Dominic Crossan, 2012-03-06 In 1969 I was teaching at two seminaries in the Chicago area One of my courses was on the parables by Jesus and the other was on the resurrection stories about Jesus I had observed that the parabolic stories by Jesus seemed remarkably similar to the resurrection stories about Jesus Were the latter intended as parables just as much as the former Had we been reading parable presuming history and misunderstanding both from The Power of Parable So begins the quest of renowned Jesus scholar John Dominic Crossan as he unlocks the true meanings and purposes of parable in the Bible so that modern Christians can respond genuinely to Jesus s call to fully participate in the kingdom of God In The Power of Parable Crossan examines Jesus s parables and identifies what he calls the challenge parable as Jesus s chosen teaching tool for gently urging his followers to probe question and debate the ideological absolutes of religious faith and the presuppositions of social political and economic traditions Moving from parables by Jesus to parables about Jesus Crossan then presents the four gospels as megaparables By revealing how the gospels are not reflections of the actual biography of Jesus but rather misinterpretations by the gospel writers themselves Crossan reaffirms the power of parable to challenge and enable us to co create with God a world of justice love and peace Rebuke & Challenge Norman H. Young, 1985 In this highly readable book Norman Young explains in an easy to understand way eleven of Jesus well known parables Because of our familiarity with the story line of these parables we are likely to miss Jesus punch line Dr Young however coaches us so that we can see Jesus skill in parrying the offensive
