Challenging The Church Monster From Conflict To Community:

Challenging the Church Monster Douglas J. Bixby, 2007-09-01 The church monster according to Bixby is the personification of a wide variety of problems which have arisen in local churches as a result of the heightened levels of conflict and anxiety with which they are dealing His goal is to help pastors as well as laity to challenge the church monster by dealing with conflict and working through issues that are causing stagnation early dismissal of pastors and other discord that detracts from the mission and vision of the church Bixby invites churches as well as shows them how to be open to the genuine and exciting possibilities that emerge from two core principles downsizing and centralizing church government and developing a radical commitment to congregational decision making This means fewer meetings more ministry and less conflict more community He also offers fresh new ways for churches to function so that mission and ministry can once again become priorities and people can begin to feel their time and energy are being used for something other than adding fuel to the fire of conflict within the congregation

Navigating the Nonsense Douglas J. Bixby, 2016-04-08 Navigating the Nonsense will change the way your church approaches conflict and communication It will unlock the untapped potential that exists in your church It is a book for clergy and lay leaders It is for churches tired of getting a new pastor every four years It is for pastors who are afraid conflict may derail the effectiveness of their ministry It is for pastors who are afraid conflict with a small group of people may lead to an early departure from their pastorate It is for church leaders who want to find ways to protect their pastors from disgruntled members It is for leadership teams and boards that feel their ministries are frozen in place or in a permanent state of decline It is for those who believe the church cannot focus on ministry if it is bound up by so much conflict It is for anyone who is tired of feeling frustrated and wants their church to become more centrally focused on Jesus and his way of doing things

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

I Refuse to Lead a Dying Church! Paul Nixon, 2007-03-01 God has called all of us to lead healthy growing spiritual churches For this very reason Paul Nixon refused to lead a dying church Paul invites you to join his commitment in refusing ever again

to lead a dying church This commitment entails six choices choosing life over death choosing community over isolation choosing fun over drudgery choosing bold over mild choosing frontier over fortress and choosing now rather than later

Conversation as Ministry: Douglas Purnell,2003-10-22 Douglas Purnell draws upon his experience as a pastor counselor and therapist to give both lay and ordained Christians the resources they need to engage in caregiving conversation intentionally deeply and confidently In Conversation as Ministry Stories and Strategies for Confident Caregiving Purnell shares his reflections on the nature of pastoral conversation and he presents questions for specific conversations to help people focus on their intentions while engaging in pastoral conversation The Living Church ,2003-07 **A Book to**

Change Your Life ; Dmin Sandidge,2009-03 What Others Say about This Book Dr Sandidge has written a very comprehensive book on leadership Every pastor and church leader can find many tidbits of information that will improve their leadership skills This book will provide help in building a ministry team approach There are many helpful ideas for the church leader to develop other leaders for the church and especially Bible teachers A helpful and insightful book Dr Frank Schmitt Professor of Church Ministries Liberty Baptist Theological Seminary and Graduate School 1971 University Blvd Lynchburg VA 24502 Dr Oneal Sandidge is not only a perceptive author but he has also lived and worked in the field of Christian Education at numerous institutions of higher education I have observed Oneal professionally as a teacher and lecturer for many years He has character insight and experience that qualify him to share concepts of the Christian ministry in general and Christian education in particular that will be life changing for his readers Dr James B Keiller Vice President Dean for Academic Affairs Beulah Heights University Atlanta Georgia Dr Oneal Sandidge has written a great book for training pastors church leaders and ministry leaders for improving church ministry This powerful book deals specifically with church ministry Dr Sandidge has used his exceptional skills from serving as Director of Christian Education college professor and ministerial experiences to suggest ways for rethinking ministry This book will help pastors church officials ministry leaders and those who teach church leadership Any reader would benefit from this book Bishop Alfred A Owens Jr Senior Pastor of Greater Mt Calvary Holy Church and Professor Howard University School of Divinity Washington DC

Covenant Companion ,2003 **The Honest to God Church** Doug Bixby,2007-06-27 Doug Bixby knows that many of us have had enough of the liberal vs conservative battles in the church In *The Honest to God Church* Bixby demonstrates how these extremes have distracted us from our true calling as conduits for God's grace both individually and as congregations Many churches see themselves as okay while everyone outside the church is not okay These churches embrace an ethic of perfection rather than love Often they are very judgmental and rigid little room exists for grace after a person is converted Legalism rather than love becomes the primary defining characteristic people pretend to be perfect even though they are not In reaction to this approach many churches have replaced judgmentalism with an ethic of tolerance But tolerating someone is not the same thing as loving them Tolerance demands only that we give people space Love is deeper and more significant and demands that we enter into their space Besides if on our own we are okay then why do we need God and one another Bixby recommends we embrace the teaching of Martin Luther that we all are saints and sinners simultaneously Churches that do this raise disciples who readily admit their sin and brokenness and see God's grace as the only means for straightening out their lives Bixby encourages all congregations to live this way authentically and transparently so that we do not have to pretend that we are okay when we are not Bixby challenges us to respond to Jesus's call to come as we are not as we think we ought to be **Books in Print Supplement** ,2002 **American Book Publishing Record** ,2003

Decolonial Feminist Community Psychology Floretta Boonzaier,Taryn van Niekerk,2019-07-13 This edited volume seeks to critically engage with the diversity of feminist and post colonial theory to counter hegemonic Western knowledge in mainstream community psychology In doing so it situates paradigms of thought and representation that capture the lived experiences of those in the global South Specifically the book takes an intersectional approach towards its reshaping of community psychology centering African black postcolonial and decolonial feminist critiques in its 1 critique of existing hegemonic Euro American community psychology concepts theories and practice 2 proposal of new feminist indigenous and decolonial methodological approaches and 3 real life examples of engagement research dialogue and reflexive qualitative psychology practice The book concludes with an agenda for theorization and research for future practice in postcolonial contexts The volume is relevant to researchers practitioners and students in psychology anthropology sociology public health development studies social work urban studies and women's and gender studies across global contexts *Who's who in Writers, Editors & Poets, United States & Canada* ,1992 *Who's who in U.S. Writers, Editors & Poets* ,1992 *Church Conflict* Norma Cook Everist,2004 You love your work You love the people most of the time They respect you most of the time You work together with colleagues staff and laity with energy and enthusiasm most of the time But then something goes wrong a word spoken in anger a misunderstanding and things turn sour What do you do How do you deal with conflict whether it be long or short term low or high intensity Conflict is a part of the human predicament yet it need not define or control your ministry This book is designed to help the reader ask certain key questions about the nature and scope of the

conflict they are experiencing and based on the answers to those questions move beyond conflict The author lays out the variety of responses to conflict running the gamut from avoidance to accommodation to compromise to collaboration Written with the real needs of congregations in mind this book will serve as a reliable guide to all who wish to move through conflict into a more effective and authentic fulfillment of their calling

Conflict and a Christian Life Sam Portaro, 2003-01-25 From the earliest days of recorded history conflict has been an integral part of human life Although conflict and crisis are painful they are visible and vital signs of the perpetual work of the church and society Viewed in this light they become sources of growth and gifts to be pressed into service The trouble with Jesus was and is that he stands in the midst of conflict and allows the conflict actually to live in him even though it tears him apart in order that new life might be born The trouble with Jesus was and is that he invites us to follow where he has led Newly revised and expanded this book is not a how to manual for problem solving but a hopeful and creative reflection on the positive aspects of conflict in our relationships and institutions as demonstrated throughout scripture in the life and ministry of Jesus the early church the church today and within ourselves For those willing to embrace conflict and the work that it requires the result is a celebration of the community that God has given us Conflict is frightening It threatens our sense of control and upsets our notions of order It touches our vulnerability and reveals uncomfortable realities Therefore we tend to deny conflict or we try to manage it tame it In fantasies of ultimate control we banish conflict altogether But the ways of God in the real and quite tangible world in which I live are obviously not the same as my ways In this world I am rarely in agreement with others and God obviously tolerates much more untidiness than I find comfortable This conflict which is with me every hour and becomes quite apparent hundreds of times a day arouses fear within me I want to be in control and yet I cannot be in control from Conflict and a Christian Life This edition features a study guide designed by educator Amanda Millay Hughes making it a valuable resource for group study by vestries parish staffs adult education groups and anyone wishing to gain greater facility in negotiati
