**Chambers Guide to the Legal Profession 2001-2002** ,2001      *Walker & Walker's English Legal System* Richard Ward,2011-05-26 A long standing and trusted text containing everything needed for students of the English legal system This new edition has been thoroughly revised to improve usability and ensure an even closer fit to courses      *Martindale-Hubbell International Law Directory* ,2003      *Serials in the British Library* ,2008      **The International Handbook of Parental Alienation Syndrome** Richard A. Gardner,S. Richard Sauber, Demosthenes Lorandos,2006 The dramatic increase in the number of child custody disputes since the seventies has created an equally dramatic need for a standard reference work that examines the growing social problem of children who develop an irrational hatred for a parent as the result of divorce The International Handbook of Parental Alienation Syndrome Conceptual Clinical and Legal Considerations features clinical legal and research perspectives from 32 contributors representing eight countries building on the work of the late Dr Richard Gardner a pioneer in the theory practice diagnosis and treatment of Parental Alienation Syndrome PAS This unique book addresses the effects of PAS on parents and children discusses issues surrounding reconciliation between parent and alienated child and includes material published for the first time on incidence gender and false allegations of abuse in PAS Content highlights examines PAS and the roles of family members the criminal justice system and the need for public awareness and policymakers to respond to PAS Descriptive statistics on 84 cases are given and the factors affecting reconciliation between the child and target parent are listed The mild moderate and severe categories of PAS are explored and the psychological consequences of PAS indoctrination for adult children of divorce and the effects of alienation on parents are researched The role of medical reports in the development of PAS sexual abuse allegations and future predictions on the fate of PAS children are many of the clinical considerations in this book The legal issues concern PAS in American law criticisms of PAS in courts of law protecting the fundamental rights of children in families family law reform International PAS abductions and the legal requirements of experts giving evidence to courts The impact and implications of PAS are immense and no other single source provides the depth and breadth of coverage of the topic than the clinical and forensic chapters in this book      Current British Directories ,2003      **Martindale Hubbell Law Directory** Martindale-Hubbell,2003-04      Chambers UK 2009 Tracey Sinclair,2008-11 An independent guide to the top solicitors barristers law firms and barristers chambers in the United Kingdom      **Martindale-Hubbell International Dispute Resolution Directory** ,2001      **Planning** ,2002      **Economics, Ethics and the Environment** Boswall,2002-06-10 The UK Environmental Law Association UKELA holds a conference each year to bring together academics and practitioners lawyers and environmental experts from other disciplines within both science and social science It is a unique event providing a forum for discussion of the most pressing issues of environmental regulation and provides a unique combination of analysis and practical application These articles presented as papers at the Cardiff Conference in 2001 provide an

accessible and informative collection addressing the conference theme of economics ethics and the environment including such issues as how we can use traditional economic devices such as taxation trading and insurance to assist in environmental regulation how we treat and protect the natural world how we might cope with the growing problem of waste and how we should react to safeguard the environment in the face of risks and scientific uncertainties The collection forms a topical and wide ranging discussion of key issues for legal practitioners academics and students and will also be of great interest to a wider range of disciplines relating to the environment
