Frager, 1992-11 My Winning Seasons Joe Crochet, 2018-10-26 My Winning Seasons is Joe Crochet s compulsively readable memoir about his experience as a cadet student athlete at The Citadel The Military College of South Carolina From the rigorous challenges of the exhausting first year to the exaltation of being part of the team that took Citadel football to the next level Joe paints a portrait not only of what it takes to succeed at The Citadel but what it takes to win in life vision dedication determination focus and the will to win Inspiring and entertaining this book is a compelling read not just for college football fans but for anyone who wants an example of how to success I have been around Citadel football since August of 1969 Throughout the years I ve watched many talented coaches and players come together each year to represent The Citadel with style and class The 2015 football team was special they came together to create one of the most remarkable seasons in Citadel football history It was a great pleasure seeing Mike Houston and his staff instill confidence in the players It was even a greater pleasure watching the players come together on and off the field forming a brotherhood

that will last a lifetime You could feel it in the locker room and see it on the field This team was together they handled adversity better than any team I ve been associated with Yes the 2015 Citadel football team was a very special group of young men It was truly an honor to watch them create excitement and inspire the entire Citadel family Joe Crochet was a key member of this team hell go down as one of the greatest defensive linemen in Citadel football history Joe's done a masterful job telling their story Lt Gen ret John Rosa 73 19thCitadel President The Champion in You Kenneth Ulmer, 2011-07-28 True champions are made not born God builds champions and He wants to build you into the champion you were meant to be Success is defined in today s culture mostly by monetary wealth Leaders are defined by leading But champions are in a class by themselves They are not defined by money or followers but by how they live and influence people in ways that glorify God and encourage and inspire others Examining the lives of biblical and modern day champions gives you the keys to becoming a champion through developing Stamina during challenges Winning character traits Integrity and trustworthiness Leadership qualities Solid moral values Author and pastor Kenneth Ulmer offers guidance and advice in a world increasingly bereft of true champions You will learn how to stay on track to becoming a true champion God's way and not be tripped up as many self described Christian leaders have been in recent years Choose today to be a champion The Champion Within Cherokee A.
