## **Champions New Clothes:**

*Fashion Design for Living* Alison Gwilt, 2014-11-13 *Fashion Design for Living* explores the positive contribution that the contemporary fashion designer can make within society. The book seeks to reveal new ways of designing and making fashion garments and products that not only enhance and enrich our lives but also are mindful of social and sustainable issues. This book sets out to question and challenge the dominant conventional process of fashion design that as a practice has been under researched. While the fashion designer in industry is primarily concerned with the creation of the new seasonal collection designed, produced and measured by economically driven factors, society increasingly expects the designer to make a positive contribution to our social, environmental and cultural life. Consequently, an emergent set of designers and research based practitioners are beginning to explore new ways to think about fashion designing. The contributors within this book argue that fashion designing should move beyond developing garments that are just aesthetically pleasing or inexpensive but also begin to consider and respond to the wearer's experiences, wellbeing, problems, desires and situations and their engagement with and use of a garment. *Fashion Design for Living* champions new approaches to fashion practice by uncovering a rich and diverse set of views and reflective experiences which explore the changing role of the fashion designer and inspire fresh, innovative and creative responses to fashion and the world we live in.

*Uncle Champion I* Joseph I. Rosselli, 2015-06-20 *Uncle Champion* was created one evening in 1980 while the author was running past Jean Gordon Grammar School located along his usual training route in Gentilly. The story was originally named *For the Love of Sara*. The title was chosen from the author's favorite song at the time. The original *Uncle Champion* creation was actually a combination of *Uncle Champion I* and *Uncle Champion IV* but to follow the journey and fully understand the story, II and III were added and I and IV were split into two separate stories. The story begins with our runner, Christopher Uncle, who decided to start running as a form of exercise. He was raised by a very good mother and father who taught him to always help others. While out training for the big race, his life and the lives of everyone involved changed. He found himself on a mission to save the life of an orphan named Julia. She is a very special and powerful young girl who leads the thirty-six other children of the orphanage beyond the fence. Chris meets Sara, Harmony, and discovers he needs her to get to Julia. He ends up saving both of them from their depressed state. At the end of each volume, a telegram arrives with Chris' next clue to the ultimate riddle, the ultimate riddle from above. In *Uncle Champion II*, Gentilly plays a major role. It is the location of the new and modern facility designed by Christopher. *Uncle Champion* was named by one of the children of the orphanage and was Chris' celebrity name. All the way through *Uncle Champion III*, you witness the relationship of Chris and Sara as it grows.
