Change At Shebika Report From A North Af:

A Comparative Political Economy of Tunisia and Morocco Gregory White, 2001-07-26 Examines how rising economic integration with Europe impacts Tunisia and Morocco *Africa Report*, 1971 Liberalization Against Democracy Stephen J. King, 2003-06-18 Annotation Local level study of a rural Tunisian town that illustrates why market oriented economic reforms have not necessarily led to political liberalization Indiana Series in Middle East Studies Mark Tessler general editor

The Government And Politics Of The Middle East And North Africa David E. Long, Bernard Reich, 1986-09-07 This fifth edition is the single most comprehensive and authoritative text for courses on the government politics and economics of the contemporary Middle East and North Africa Cross-cultural Communication Course, 1984 States and Women's Rights Mounira Charrad, 2001 At a time when the situation of women in the Islamic world is of global interest here is a study that unlocks the mystery of why women's fates vary so greatly from one country to another Mounira M Charrad analyzes the distinctive nature of Islamic legal codes by placing them in the larger context of state power in various societies Charrad argues that many analysts miss what is going on in Islamic societies because they fail to recognize the logic of the kin based model of social and political life which she contrasts with the Western class centered model In a skillful synthesis she shows how the logic of Islamic legal codes and kin based political power affect the position of women These provide the key to Charrad's empirical puzzle why after colonial rule women in Tunisia gained broad legal rights even in the absence of a feminist protest movement while despite similarities in culture and religion women remained subordinated in post independence Morocco and Algeria Charrad's elegant theory crisp writing and solid scholarship make a unique contribution in developing a state building paradigm to discuss women's rights This book will interest readers in the fields of sociology politics law women's studies postcolonial studies Middle Eastern studies Middle Eastern history French history and Maghrib studies Aspects of Agriculture Policy and Rural Development in Africa: North and North and North East Africa Commonwealth Bureau of Agricultural Economics, 1971 Life among the Anthros and Other Essays Clifford Geertz, 2012-08-26 An incomparable retrospective of writings by one of the world's great anthropologists Clifford Geertz 1926 2006 was perhaps the most influential anthropologist of our time but his influence extended far beyond his field to encompass all facets of contemporary life Nowhere were his gifts for directness humor and steady revelation more evident than in the pages of the New York Review of Books where for nearly four decades he shared his acute vision of the world in all its peculiarity This book brings together the finest of Geertz's review essays from the New York Review along with a representative selection of later pieces written at the height of his powers some that first appeared in periodicals such as Dissent others never before published This collection exemplifies Geertz's extraordinary range of concerns beginning with his first essay for the Review in 1967 in which he reviews with muffled hilarity the anthropologist Bronislaw Malinowski This book includes Geertz's unflinching meditations on Western academia's encounters with the non Western world and on the

shifting and clashing places of societies in the world generally Geertz writes eloquently and arrestingly about such major figures as Gandhi Foucault and Genet and on topics as varied as Islam globalization feminism and the failings of nationalism Life among the Anthros and Other Essays demonstrates Geertz s uncommon wisdom and consistently keen and hopeful humor confirming his status as one of our most important and enduring public intellectuals **Village Studies: Africa, Middle East and North Africa, Asia (Excluding India), Pacific Islands, Latin America, West Indies and the Caribbean 1950-1975** University of Sussex.
