Change Of Heart A Novel:

Change of Heart Courtney Walsh, 2016-03-01 A Colorado senator's wife Evelyn Brandt seems to have it all. But her carefully constructed life comes toppling down when the FBI crashes her society brunch with news that her husband has been arrested for embezzlement and he's far from repentant. It turns out this was only the start of his indiscretions for which he has little regret. As the weeks following the scandal turn into months, Evelyn withdraws, even shirking her duties with the philanthropic Valentine Volunteers. The inquisitive women of the group are determined not to let Evelyn's divorce destroy her. They have big plans for her to use her long forgotten artistic talent to reimagine the city's iconic lamppost hearts. But doing so will force Evelyn to work closely with Trevor Whitney, her ex-husband's former best friend. Though she and Trevor used to be close and he's been letting her hide in his guesthouse, his gruffness conveys his unease with the situation. Amid the beauty of Trevor's farm and the comfort of a paintbrush, Evelyn starts to reclaim the dreams she sacrificed to become the perfect politician's wife. And as creativity inspires them both, Whit begins to see the girl he fell in love with before his friend and his own mistakes stole his chance. Possibilities for a new beginning emerge, but long kept secrets threaten to ruin everything. After so much time, is a change of heart too much to hope for? Barbara Taylor Bradford, author of *Secrets from the Past* and *A Woman of Substance*, Sharlie Converse is twenty-six with a vivid and romantic interior life. Born with a heart defect that has defeated an army of specialists, she has lived her short life from moment to moment. Everything that matters most to her, color, excitement, adventure, is forbidden except in her imaginings, and in the secret yearnings that she has long accepted will never be made real. Until, on a cross-town bus packed with Christmas shoppers, she falls into Brian Morgan's arms. And Sharlie, whom love can kill, must make the agonizing choice to risk her life by loving or never really to live at all. A heartbreaker. Sally Mandel manages to say a good deal about love and loss and courage. Publisher's Weekly.
