**Contemporary Ethnic Geographies in America** Ines M. Miyares, Christopher A. Airriess, 2006-10-19 Ethnic diversity has marked the United States from its inception From the migration of the ancestors of Native Americans to the increasingly diverse immigrant populations arriving today it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people At an ever increasing pace America today is experiencing watershed changes in its social cultural and ethnic racial geographies Considering the impact of these transformations this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of key ethnic and racial communities including those of long standing significance such as Native Americans African Americans and Mexican Americans along with the Latin American and Asian groups that make up the vast majority of newer immigrants Each case

offers a brief historical overview of the group's immigration experience and settlement patterns and discusses its contemporary dynamics. All of these people have transformed and been transformed by the places in which they have settled. Exploring these changing communities, places, and landscapes, this book offers a nuanced understanding of the evolution of America's contemporary ethnic geographies.

**Korean Immigrants and the Challenge of Adjustment** Moon H. Jo, 1999-07-30. With the steady increase in the number of Asian immigrants, our interest in Asian American communities has intensified in recent years. While much has been written on the experiences of established immigrant communities such as the Chinese and the Japanese, little is yet known about the Korean Americans, one of today's fastest growing Asian American minorities. This volume provides an overview of the history of Korean immigration to this country from the first immigrants who arrived in Hawaii at the beginning of the century to the most recent waves of the 1980s and 1990s, and a detailed analysis of the main problems Korean Americans face in adjusting to life in their adopted country. The author collected most of his data through a questionnaire survey and case study interviews, which provide lively first person accounts of the immigrant experience, focusing in particular on problems such as the language barrier, social isolation, family tension, and the challenge of earning a livelihood.

**Asian/Pacific Islander American Women** Shirley Hune, Gail M. Nomura, 2003-08. A groundbreaking anthology devoted to Asian Pacific Islander American women and their experiences. Asian Pacific Islander American Women is the first collection devoted to the historical study of API women's diverse experiences in America. Covering a broad terrain from pre-large scale Asian emigration and Hawaii in its pre-Western contact period to the continental United States, the Philippines, and Guam at the end of the twentieth century, the text views women as historical subjects actively negotiating complex hierarchies of power. The volume presents new findings about a

range of groups including recent immigrants to the U S and understudied communities Comprised of original new work it includes chapters on women who are Cambodian Chamorro Chinese Filipino Hmong Japanese Korean Native Hawaiian South Asian and Vietnamese Americans It addresses a wide range of women s experiences as immigrants military brides refugees American born lesbians workers mothers beauty contestants and community activists There are also pieces on historiography and methodology and bibliographic and video documentary resources This groundbreaking anthology is an important addition to the scholarship in Asian Pacific American studies ethnic studies American studies women s studies and U S history and is a valuable resource for scholars and students Contributors include Xiaolan Bao Sucheng Chan Catherine Ceniza Choy Vivian Loyola Dames Jennifer Gee Madhulika S Khandelwal Lili M Kim Nancy In Kyung Kim Erika Lee Shirley Jennifer Lim Valerie Matsumoto Sucheta Mazumdar Davianna Pomaika i McGregor Trinity A Ordon Rhacel Salazar Parre as Amy Ku uleialoha Stillman Charlene Tung Kathleen Uno Linda Trinh V Judy Tzu Chun Wu Ji Yeon Yuh and Judy Yung     **A**

**Nation of Peoples** Elliott Robert Barkan, 1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume concludes with a review of the most important general works on America s multicultural heritage     **Contemporary Ethnic Families in the United**

**States** Nijole Vaicaitis Benokraitis, 2002 Designed to increase readers awareness of healthful family processes across and within ethnic households this book features 45 accessible non technical articles on 9 substantive family related issues Organized by topics rather than ethnic groups it features selections that examine the intersections of social class age sexual

orientation gender differences and intragroup variations It provides selections that are representative of the increasing heterogeneity of diversity of contemporary ethnic families in the U S Features representative articles on five ethnic groups African Americans including African and Caribbean families Latinos including Cuban Americans Mexican Americans and Puerto Rican Americans Asian Americans including Korean Americans Japanese Americans Chinese Americans Filipino Americans Pacific Islanders Vietnamese Americans Cambodian Americans Indian Americans and Laotian Americans American Indians and Middle Eastern Americans including Arab Americans and Muslim families Explores the ethnic families characteristics variations and dynamics in terms of socialization gender roles marriage and communication parenting work and discrimination social class violence and other family crises separation and divorce and family caregiving and aging For professionals in healthcare and practitioners who work with ethnic families     *Minority Families in the United States* Ronald Lewis Taylor,2002 For courses in Sociology of the Family Minority Families Family Development and Ethnic Families Written by scholars who share an identity with the minority families they write about this collection of essays offers a detailed description and analysis of the historical and contemporary forces that have shaped the structure and the role of social class and gender dynamics of the four dominant minority groups African American Hispanic Asian and Native American and their sub populations in the United States     Trends in Ethnic Identification Among Second-Generation Haitian Immigrants in New York City Flore Zephir,2001-06-30 The author conducted extensive interviews with both first and second generation immigrants in New York City revealing that second generation Haitian immigrants do not have one single identity Rather they exhibit multiple identities that are shaped by both the American realities and the home and familial context The author describes in detail the various macro and micro factors that account for this great variation in ethnic identification and discusses the implications of these identity choices for American society at large Unlike their parents who do not consider themselves American but rather birds of passage and who additionally because of their distinctive foreign accents are not perceived to be American the children of Haitian immigrants have the option of being less ethnic In fact they are very often seen by others as merely American In light of this distinction the central questions posed in the present study are the following Are Haitian families successful at passing on to their offspring the same ethnic feelings identification culture and values How do their children choose to define themselves Do they consider themselves American or more specifically African American Is being ethnic important to their self image In what way does the home environment influence their ethnic choices What role do the American realities that surround them play in shaping Haitian youth identity What are the manifestations and implication of these identifies     Encyclopedia of Social Work ,1965     Korean and Korean-American Studies Bulletin ,2000     Family in Transition Arlene S.
