Changing Jareth:

Changing Jareth Elizabeth Wennick, 1999-01 After years of dealing with an alcoholic mother and terminally ill half brother seventeen year old Jareth learns to trust and rely on others after a series of tragedies makes him realize that he cannot survive on his own Home Words Mavis Reimer, 2009-08-01 The essays in Home Words explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children s literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children s and national literatures Home Words reconfigures the field of Canadian children s literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children s literature *Surviving Sam* Karen Rivers, 2001 Surviving Sam is Pagan Riddler s story It begins three years after her twin brother Sam dies in an avalanche that roars down the mountain they are climbing together Now Pagan is in her final year of high school and struggling to come out from under the shadow of Sam s death She has seen a string of doctors to repair her body and fix her deep depression but she still wakes up every morning longing for Sam to be alive Soon life becomes complicated again her parents might be splitting up her friends are keeping big secrets from her and as graduation looms she needs to decide what to do with the rest of her life Then comes the most difficult blow of all Sam s body is found at last and Pagan must accept that her brother is really and truly dead
