## **Changing Our World:**

**Empowering Your Soul** Glensy-Kay, 2012-11-13 We are on a fascinating journey of life of living and of learning to create for ourselves the life we always wanted a life that fits neatly around the health wealth and happiness that most of us have always been striving for Why havent we been able to create this life What has prevented us from having this mythical health wealth and happiness Some have it and then lose it or throw it away So often we either cant create it or we lose it because we have had absolutely no idea of how the energies of life work This is what this book is all about helping you to understand how life works and in that place you can then create your dreams You become empowered to make better choices Not everyone comprehends the very basic foundation of life that we do create the reality in which we live When you read this book you will understand just how important this is It is a valuable read for all those seeking answers to the meaning of life We need this information to enable us to better understand and live in the new future we are in the process of creating

**The Generosity Crisis** Brian Crimmins, Nathan Chappell, Michael Ashley, 2022-11-08 Rekindle America's faith in charitable and nonprofit organizations In Generosity Crisis The Case for Radical Connection to Solve Humanity's Greatest Challenges accomplished philanthropy experts Nathan Chappell Brian Crimmins and Michael Ashley deliver a startlingly insightful exploration of the decline of American generosity The authors offer inspirational solutions to the dramatic downturn in giving in the US showing us how to re-establish the interconnection that drives reciprocity love and generosity You'll discover how to help reignite the radical connection between us and value driven organizations that strive to improve life on Earth You'll also become part of the conversation about generosity as an antidote to isolation and learn to take personal responsibility for the world's most seemingly intractable problems The book also includes Actionable insights from a variety of vantage points informed by the authors decades of experience in nonprofit and social benefit organizations A broad and deep analysis of how to revitalize the spark of generosity that once made the American nonprofit sector such a powerful force for good Strategies for looking beyond technology as the only scalable solution to the charitable deficit An engrossing and essential treatment of practical charity and real world nonprofit work Generosity Crisis will earn a place in the libraries of nonprofit leaders directors managers and other professionals with a personal stake in ensuring the continued survival of the American charitable sector
