Changing People's Lives Through Prayer/Transformando Vidas Por El Felipe S. Wober, 2002 The inspirations that mold a poet's thoughts and the meanings behind what his or her words actually say form a question mark which anyone who has taken a literature course of any kind is familiar with The notion that anyone can clearly know what a poet is absolutely thinking is something that is arbitrarily tossed about at all levels of study Does the Toy Cannon Fire Still at Night is poet and writer Thomas Porky McDonald's answer to those who would assume to understand exactly what any poet might be saying or thinking Taken from his first 15 books of poetry written between the years 1989 and 1999 this volume gives you the actual stories behind 62 different mostly baseball related pieces that the always curious ballpark wanderer has written How why when and where each poem was written is offered up in reply to a handful of friends who independently of one another each inquired about the origins of different pieces McDonald's point appears to be that any good poetry can be interpreted in a number of ways Although where particular verses came from is a definitive place the origins are rarely given to the public first hand but only in reflective forwards of anthologies where someone other than the artist gives their opinion on what it all means In the Toy Cannon collection poems written in the wake of decades of the earliest stored memories of the game of McDonald's youth parallel with numerous pieces created conversely on a sudden and electric impulse The realm of those no longer with us also chimes in as a slew of memorial tributes offer up the most vibrantly raw and personally inspired pieces of the poet's work The result is a most interesting book which could serve as a primer for all other past present and future collections released by this often pensive generally joyous and always reflective Irish troubadour If nothing else this volume can help break down not only what resides in this particular man's soul but maybe even give us pause to look more closely and carefully at any poetry that we might come across especially that which touches us *Viva Como Sal y Luz* Derek Prince, 2014-02-04 Transforme vidas y cambie el curso de la historia Muchos países se están enfrentando posiblemente a las mayores crisis de toda su historia Qu tragedia ser a si nosotros los cristianos no marcamos ningun efecto positivo en las necesidades de la nación en la cual vivimos Sin embargo la victoria es el destino del pueblo de Dios Sea parte del plan de Dios de transformar su propia vida las vidas de otras personas y la vida misma de su país Jesucristo nunca se encontró con una situación en la que dijo Lo siento No hay nada que se pueda hacer En cambio enseñe que los creyentes son la sal de la tierra y la luz del mundo El mundo necesita desesperadamente un cambio y nosotros somos las personas que debemos producir ese cambio El autor de xitos de ventas y maestro de la Biblia Derek Prince bosqueja nuestra posición estratégica como cristianos en el mundo incluyendo nuestros privilegios y responsabilidades para impactar vidas individuales comunidades y naciones enteras Nos proporciona una oportuna enseñanza sobre cómo Tomar la iniciativa espiritual en su esfera de influencia Identificarse con los propósitos de Dios y extender su reino en el mundo Hacer guerra espiritual y derrotar las maquinaciones del diablo Utilizar las armas de la oración el ayuno la alabanza y el testimonio Convertirse en alguien que cambia la Historia para un
