Channeled by God Charles D. Collard, 2006-01-01 The year is 2020 and time is running out For 25 000 years Earth has been on a countdown to planetary precession Known as the Pangaeon Effect it causes the Earth to instantaneously change its axis Operation NOAH S ARK the top secret CIA task force responsible for preparing for the Pangaeon Effect has five years remaining before Earth suffers 5 000 years of volcanoes tsunamis earthquakes and toxic atmospheres that will place mankind on the brink of extinction While NOAH S ARK faces wars international intrigue and national chaos a new human species possessing a genetic mutation arrives on the scene Join Mike Valenti and NOAH S ARK as they face the challenges of the Pangaeon Effect and the people with the Darwin Strand **Becoming a Channel of Creativity and Inspiration** Henry Reed, 2014-09-03 Whether you call it channeling spiritual intelligence inspiration creativity or intuition we humans have available to us a level of awareness and intelligence that exists prior to any external education yet benefits from all your learning This unique book describes many grounded and practical ways consistent with research in scientific psychology of developing a relationship with this human potential all within a spiritual or transpersonal philosophy that assumes that the purpose in life is for us to learn how to share our gifts and thereby come into an awareness of our essence as Creator The Channeling Zone Michael Fobes Brown, 1997 Neither a debunker nor an advocate Michael Brown examines why so many intelligent Americans have turned to channeling as a source of spiritual guidance and how this links with older and more esoteric native religions Channeling the Past Erik Christiansen, 2013-03-15 After the turmoil of the Great Depression and World War II Americans looked to the nation s more distant past for lessons to inform its uncertain future By applying recent and emerging techniques in mass communication including radio and television programs and commercial book clubs American elites working in media commerce and government used history to confer authority on their respective messages With insight and wit Erik Christiansen uncovers in Channeling the Past the ways that powerful corporations rewrote history to strengthen the postwar corporate state while progressives communists and other leftists vied to make their own versions of the past more popular Christiansen looks closely at several notable initiatives CBS s flashback You Are There program the Smithsonian Museum of American History constructed in the late 1950s the Cavalcade of America program sponsored by the Du Pont Company the History Book Club and the Freedom Train a museum on rails that traveled the country from 1947 to 1949 exhibiting historic documents and flags including original copies of the U S Constitution and the Magna Carta It is often said that history is written by the victors but Christiansen offers a more nuanced perspective history is constantly remade to suit the objectives of those with the resources to do it He provides dramatic evidence of sophisticated calculations that influenced both public opinion and historical memory and shows that Americans relationships with the past changed as a result *Knowing the Facts about Channeling and Crystal Work* John Ankerberg, John Weldon, 2012-08-30 When men and women willingly give over their minds and bodies to spirit entities and these spirits enter and control them using them to

heal or to give teachings and other information this is called channeling Crystal work uses crystals to invoke the spirits The spirits claim they can assist people toward true individual social and spiritual enlightenment Channeled spirits claim to be wise and loving entities but are they What is their real purpose The authors examine the potential problems and dangers that can occur through channeling along with a biblical evaluation of the practice *Intellectuals Don't Need God & Other Modern Myths* Alister E. McGrath, 1993 McGrath sees two kinds of obstacles to faith intellectual barriers and existential or experiential ones the traumas anxieties and hopes of life In this book he seeks to balance these obstacles with a people based approach as he states Christianity must commend itself in terms of its relevance to life not just in its inherent rationality *Jesus: My Autobiography* Tina Louise Spalding, 2015-06-15 *The Autobiography of a Crystal in the Formation of the Solar System, Etc. [A Poem.]* Cyrus George DUNN, 1875 *Tarry There!* Cleveland Taylor, 2020-07-21 Spiritual endowment for today's believer is possible This possibility is studied and compared to that of the early church fathers This journey to the reception of Holy Spirit endowment of the early Pentecostal forefather was not short and instantaneous There is a waiting period that is observed and reported This book revisits the biblical significance of tarry's treatment in Luke 24:49 The key principle of waiting on the timing of God's provision of power was commanded The promised endowment is necessary to accomplish the job description God has given all Christians The reader will observe the results of a tarry presented to encounter the Holy Spirit experience The word for power that Luke uses in Luke 24:49 and Acts 1:8 reference that ability to do work Acts 1:4 placed emphases on them not leaving Jerusalem without the promise The potential value of this topic is in its impact on the reader's personal life The project conducts a hundred surveys interviews and research of historical tarry data The successful tarry as Luke presents it will yield an authentic encounter with the promised Holy Spirit and the production of guidelines for Christian mentors to tarry for endowment **The Autobiography of a Crystal in the Formation of the Solar System** Cyrus George Dunn, 1876 **Biography**, 1985 **Encyclopedia of Reincarnation and Karma** Norman C.
