Channels Of Belief Religion And American Commercial Television:

Channels of Belief John P. Ferré,1990 **Religion and Prime Time Television** Michael Suman,1997-10-28 How is religion portrayed on prime time entertainment television and what effect does this have on our society This book brings together the opinions of all the important factions involved in this important public policy debate including religious figures Christians Jews Muslims Buddhists and Freethinkers liberal and conservative academics media critics and journalists and representatives of the entertainment industry The debate provides contrasting views on how much and what type of religion should be on entertainment television and what relationship this has with the health of our society Many contributors also offer strategies for how to reform the present situation This is an important work that delineates the debate for the layperson as well as researchers scholars and policymakers *Religion vs. Television* Jay Newman,1996-08-20 The subject of competition between religion and television has if only indirectly received considerable attention particularly from religionists disturbed by the threat posed by television programming to traditional religious beliefs values and attitudes This detailed study considers the competing cultural forces of television and religion from a wider and more theoretical perspective Newman examines the major forms of competition and the various motives and strategies of the people and groups involved His philosophical approach allows us to see that the most important aspect of competition between television and religion is their rivalry as cultural forces In this rivalry religion continues to have a profound influence on the shaping of television just as it has always had on all newly developing forms of culture *Encyclopedia of Fundamentalism: Volume 3 of Religion & Society* Brenda Brasher,2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others **The Complete Book of Everyday Christianity** R. Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ Telecommunications Update ,1990 **Selling the Sacred** Mara Einstein,Sarah McFarland Taylor,2024-03-01 There s religion in my marketing There s marketing in my religion Selling the Sacred explores the religio cultural and media implications of a two sided phenomenon marketing religion as a product

and marketing products as religion What do various forms of religion marketing collaboration look like in the twenty first century and what does this tell us about American culture and society Social and technological changes rapidly and continuously reframe religious and marketing landscapes Crossfit is a cult Televangelists use psychographics and data marketing QAnon is a religion and big business These are some of the examples highlighted in this collection which engages themes related to capitalist narratives issues related to gender and race and the intersection of religion politics and marketing among other key issues The innovative contributors examine the phenomenon of selling the sacred providing a better understanding of how marketing tactics married with religious content influence our thinking and everyday lives These scholars bring to light how political economic and ideological agendas infuse the construction and presentation of the sacred via more traditional religious institutions or consumer product marketing By examining religion and marketing broadly this book offers engaging tools to recognize and unpack what gets sold as sacred what s at stake and the consequences A go to resource for those working in marketing studies religious studies and media studies **Selling the Sacred** is also a must read for religious and marketing professionals **Redeeming Television** Quentin James Schultze,1992

Quentin J Schultze offers an indispensable course in televisual literacy counseling us to become active watchers instead of passive viewers Winner of a 1993 Christianity Today Critics Choice Award 2nd place contemporary issues 180 pages paper
