Must Know Hybrid Work Schedule For Beginners For Bloggers:

Future Trends, Breakthroughs and Innovation in HRM B. Beaula, V.A. Ragavendran, This book discusses the following potential trends and innovations that could shape the future of HRM Data Driven Decision Making The use of data analytics and artificial intelligence in HRM is expected to continue growing Remote Work and Hybrid Models The COVID 19 pandemic accelerated the adoption of remote work Skills Development and Lifelong Learning Continuous learning and upskilling are becoming essential due to the rapid pace of technological advancements Artificial Intelligence AI in Recruitment AI can streamline and improve the recruitment process by automating tasks like resume screening candidate sourcing and initial interviews Gig Economy and Contingent Workforce Management As the gig economy expands HRM will need to adapt to manage both traditional employees and contingent workers effectively ensuring fairness and compliance Diversity Equity and Inclusion DEI DEI initiatives are gaining prominence as organizations recognize the importance of creating inclusive workplaces Employee Experience EX HRM is shifting towards focusing on enhancing the overall employee experience

The Revelation Conversation Steve Curtin, 2022-05-31 Discover a breakthrough way to link employees' daily job duties to the organization's purpose and watch employee engagement, productivity and customer satisfaction soar Nearly every organization has a mission, vision or purpose statement that is displayed on its website or framed and mounted in the executive corridor But it is largely unknown to employees and seemingly unrelated to their daily jobs As a result while employees may possess the knowledge and skills to do their jobs they are unaware of what bestselling customer service author Steve Curtin calls job purpose how their specific tasks contribute to the organization's reason for being They understand what to do and how to do it but not why they do it Curtin offers a fresh tool to overcome this challenge The Revelation Conversation is a one on one exchange where leaders and managers involve employees in the discovery of their total job role connect job duties to job purpose and inspire greater employee engagement Instead of just having assignments to work on they now have a purpose to work toward Service quality goes from transactional to exceptional The book contains dozens of examples of how leading companies link their corporate ideals to employees' daily job responsibilities By creating an environment for employees to do work that matters rather than simply check boxes and go through the motions employers will reap the benefits of higher levels of employee engagement, productivity and customer satisfaction **Teaching**
