painful trial and its consequences for selfish reasons Nevertheless this time of trial tribulation and revelation of their true nature and character can be grasped as an opportunity to explore and expand their newfound faith and freedom in Christ The hope for these lessons would be to build an understanding and confidence for tackling everyday issues and provide encouragement to persevere as trials are overcome and victories are achieved on an every day basis Success in overcoming the battle of addiction will depend on the individual acknowledging Christ's ability alone to set him free from bondage to sin and fear thereby breaking the chains of addictions After 20 years of suffering being full of pride and arrogance lost in a dark and lonely world and having the experience of trying time and time again to change myself through people places and things I finally had a solitary but failed attempt at suicide Christ Jesus was finally allowed to pour down His Mercy upon me and I was given the gifts of His Grace Faith Repentance and Redemption and I was changed into a new man that was created according to God in true righteousness and holiness It was after this event that I received my calling from the Lord and He gifted me with a tremendous healing of the mind and the ability to remember His Holy Scriptures I have sought to make Christ Jesus my Lord known to all men as I have come to know Him ever since I have had the privilege of having the Lord educate and equip me for the last 25 years as a Pastor The Lord has used numerous individuals various Biblical courses and trainings drug and alcohol education and time of my own suffering in Christ to expand His purpose and plan for my life Psalm 12 6 7 The words of the Lord are pure words like silver tried in a furnace of earth purified seven times You shall keep them O Lord You shall preserve them from this generation forever *Loader United States. Congress. Senate. Committee on Interstate Commerce, 1902 *Let My Children Go, Ye Leviathans (Governments)* Kwei-Armah , This book looks at the traditional answer to the question of man's freedom on earth the answer that holds that for man to be free he needs to be made to become a perpetual subject And dismisses it This work submits that man is not born to be a subject but a free man Because it contends that contrary to Rousseau's thoughts man is born in chains and that it is these chains that he must learn to break to be free It subsequently submits that for man to be able to break his chains he needs to be made to become his true self and shows how to make man become his true self **Reports of All Cases**
