Chalet School Wins The Trick:

The Chalet School Wins the Trick Elinor Mary Brent-Dyer, 2022 **The Chalet School Wins the Trick** Elinor M. Brent-Dyer, 2025-07-26 Five bored schoolgirls staying near the prestigious Chalet School ignite a war of pranks after being scolded for building an unauthorized campfire on school grounds Audrey Solange Val Celia and Win unleash increasingly audacious tricks blocking paths during school walks hurling stink bombs at prefects and spreading pepper on dining hall food Their campaign of mischief tests the patience of both staff and students as the girls declare war on the entire institution But as they come into contact with pupils and ex pupils through various school events their attitudes begin to shift When one of their own goes missing they discover that the very school they've been tormenting may hold the key to rescue Meanwhile the Fifth Form faces important examinations and a former student confronts an uncertain future in this delightful tale of rebellion friendship and eventual understanding **The Feud in the Chalet School** Elinor M. Brent-Dyer, 2025-09-10 In the wake of a devastating fire St Hilda's school for girls is left without a home and the Chalet School offers sanctuary But the sudden merging of two distinct school cultures sparks friction particularly for ambitious mistress Miriam Ashley who struggles with the loss of autonomy and an uncertain future As students and staff alike confront upheaval alliances are tested and rivalries intensified especially among the girls navigating new friendships and loyalties Set against the vivid backdrop of the Swiss Alps **The Feud in the Chalet School** explores pride resilience and the quiet strength that builds unity from chaos

The Chalet School Books and the Twentieth Century Miles Booy, 2025-06-17 The first full length study of this beloved children's series **The Chalet School in the Twentieth Century** moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy's book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional **The Chalet School in Exile** which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children's literature With barely a midnight feast in sight but much anxiety about social change it's a familiar genre but not as you think you know it Hurry up new girls class is about to begin ***The English Girls' School Story*** Judith Humphrey, 2009 The English girls boarding school novel was staple reading for girls not just in England through the first half of the twentieth century Generally dismissed as sentimental hack writing these stories were immensely popular Humphries who had loved the books as a child discovered in adulthood that she was still enamored of them Her search for why the books still hold up turned into a dissertation She concentrates on the genre as a whole finding several important similarities The most important ones involve the independence and strength of young women living in an all female environment The chapters elucidate the positive messages that the books contain a

respect for intelligence and learning women as self directed women active in sports women in authority and importantly the bonds of female friendship Humphries makes it clear that although some attitudes have changed too many girls still see themselves as incomplete without a boyfriend and always secondary to him **GOOGLE BOOKS The World of Girls** Rosemary Auchmuty,1992 Examines the work of four authors Elsie Jeanette Oxenham Dorita Fairlie Bruce Elinor Mary Brent Dyer and Enid Blyton The Encyclopaedia of School Stories: The encyclopaedia of girls' school stories Rosemary Auchmuty,Joy Wotton,2000 This encyclopaedia covers the history critical reception authors topics and critical analyses of girls school stories from 1876 1999 An overview of the development of the stories is covered along with their influence on authors and publishers The Clique ,1982 Bookseller and the Stationery Trades' Journal ,1961 General Catalogue of Printed Books British Museum.
