With Supplementary Correspondence and Notes, Translated from the Russian, Compiled and Edited by Nina Froud and James Hanley. [With Plates, Including Self-portraits.]*. Maksim Gorky, Nina FROUD, Fyodor Ivanovich Chaliapin, 1968 **Chaliapin** Fedor Ivanovič Šaljapin, 1968 Maxim Gorky Cynthia Marsh, 2006 Maxim Gorky was dubbed the father of socialist realism in the Soviet period but he had forged his career as an internationally known novelist and dramatist some three or more decades earlier Posing questions that Soviet critics found difficult to confront the author examines the effects of exile and religion on the content and form of the plays as well as the role played by women and the personal and political implications of motherhood All sixteen of Gorky's published plays are covered and the book explores whether this body of work has themes and styles to unify it While conflict is central to the core political themes and also infiltrates many aspects of the dramatic style cartoonish and grotesque other less expected themes and styles emerge Viewing the post revolutionary plays as a development of earlier work leads to a question rarely posed are the plays written by Gorky in the process of defining the new Party inspired socialist realism in fact less about socialist realist issues of conformity and more about Gorky's own painful life experience And what is equally under the microscope is a search for the monumental style frequently associated with socialist realist theatre the proposed origins of the spatial grandeur in Gorky's plays come as a surprise *The New York Times Book Review*, 1968 **Encyclopedia of Music in the 20th Century** Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader Music in the 20th Century (3 Vol Set) Dave DiMartino, 2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China's response **Chaliapin** Fyodor Ivanovich Chaliapin, Maksim Gorky, Nina Froud, James Hanley, 1976 The Nation, 1968 **Thomas Beecham** John Lucas, 2008 Thomas Beecham was one of Britain's greatest conductors of orchestral music and opera as well as an entrepreneur and impresario of exceptional energy and brilliant wit This new life places him musically

politically and socially in the troubled times in which he lived and corrects the stories and myths many of them Beecham's own making that have grown up around this uniquely gifted and controversial figure Drawing upon extensive research Lucas presents new material on his early years his complicated private life his father's catastrophic attempt to buy a large part of Covent Garden which brought the family to its knees financially and the orchestras and opera companies that Beecham founded New light is shed on his visits to Nazi Germany and his view of its leaders as well as the much misunderstood and previously unchronicled years of the Second World War which he spent in Australia and America Thomas Beecham An Obsession with Music will change the way we view this complex personality and remain the standard biography for years to come JOHN LUCAS was on the staff of the Observer for 25 years completed Peter Heyworth's monumental biography of Otto Klemperer wrote the biography of Reginald Goodall and is responsible for the current entries on Beecham and Klemperer in the New Grove BEECHAM IN REHEARSAL This book will include a full length CD of Beecham rehearsing the RPO It features music by Haydn Mozart Handel Liszt and a remarkable movement from Beethoven's 5th Symphony *Vladimir Stasov and Russian National Culture* Yuri Olkhovsky,1983 *Moura* Nina Berberova,2005-06-30 Baroness Maria Ignatievna Zakrevskaya Benckendorff Budberg hailed from the Russian aristocracy and lived in the lap of luxury until the Bolshevik Revolution forced her to live by her wits Thereafter her existence was a story of connivance and stratagem a succession of unlikely twists and turns Intimately involved in the mysterious Lockhart affair a conspiracy which almost brought down the fledgling Soviet state mistress to Maxim Gorky and then to H G Wells Moura was a woman of enormous energy intelligence and charm whose deepest passion was undoubtedly the mythologization of her own life Recognized as one of the great masters of Russian twentieth century fiction Nina Berberova here proves again that she is the unsurpassed chronicler of the lives of Soviet migrants In Moura Budberg a woman who shrouded the facts of her life in fiction Berberova finds the ideal material from which to craft a triumph of literary portraiture a book as engaging and as full of life and incident as any one of her celebrated novels **Russia & Europe in the Nineteenth Century** Sphinx Fine Art,Edward Strachan,Roy Bolton,2008 The Anglo-Soviet Journal ,1966
