Smith, Ph.D., 2014-05-14 A verse by verse commentary on 1 Samuel 1-15 dealing with the ministry of Samuel and the reign of King Saul **Performing Israel's Faith** Jacob Neusner, 2005 If law alone yields legalism then religious belief by itself fails to create justice In *Performing Israel's Faith* Jacob Neusner shows how Jewish Halakhah law and Aggadah narrative fit together to form a robust and coherent covenant theology one directly concerned about this world Neusner's careful and thorough examination of several key issues within rabbinic Judaism the nation's idolatry sin repentance and atonement demonstrates that neither Halakhah nor Aggadah can be fully and rightly understood when the two are isolated from each other *Performing Israel's Faith* thus effectively reveals that rabbinic Judaism's true pattern of religion was constituted by a covenant theology comprised by both law and story a covenant theology whose aim was to restore the sanctification of God's original creation Ancient Israel's Women of Faith Claude F.

Mariottini, 2025-11-18 Do You Know the God of Ancient Israel's Women of Faith Believers today are facing a profound spiritual poverty an ignorance of the women who shaped their faith and as a result an incomplete understanding of the God those women faithfully served The inspired writers of the Old Testament mention over one hundred women by name and countless others in passing Yet how many of us know the stories of these women and the God who wrote them Sheerah built three cities and had one named after her Jehosheba executed a covert operation to preserve the Davidic line Miriam left us a legacy of worship that persists to this day Then there are the women who proclaimed the good news of God prophesied truth

to power protected Israel from her enemies relentlessly interceded for God to act and passed along a living faith in the God who did Each of these women and their stories finds a place in God s redemptive plan for his creation In Ancient Israel s Women of Faith Claude Mariottini introduces readers to a fresh reading of Scripture that takes seriously these stories In doing so he challenges anachronistic modern readings of the text by providing helpful contextual information including nuances in the original language histories of translation and observations on the cultural political legal economic and religious landscapes of their time Readers of this title will walk away with new insights questions and areas for research but more importantly they ll walk away with a new understanding of the God of ancient Israel s women of faith Christian Liberty and Other Sermons, 1916-1917 Hensley Henson,1918 Heart of Faith Joseph E.L.
