Champions Of The Truth Fundamentalism Modernism And The Maritime Baptists:

Champions of the Truth George A. Rawlyk, 1990-03-01 Rawlyk argues that in the early part of this century the Maritime Baptist mainstream was far more accommodating and open minded than Baptists in central Canada and the West. He shows that during the fundamentalist modernist controversies of the 1920s and 1930s the vast majority of Maritime Baptists rejected the closed minded Central Canadian Fundamentalism of T T Shields. Instead they stressed what Barry Moody has referred to as the prevailing Breadth of Vision and Breadth of Mind of the nineteenth century Maritime Baptist tradition. The Maritime Baptist mainstream emerges in *Champions of the Truth* not only as surprisingly progressive but as a force which Rawlyk believes helped significantly to shape certain key features of Maritime life between the wars. Rawlyk provides an answer to the question of why the Maritime Baptists in the 1920s and 1930s did not experience the same kind of bitter schism as central Canadian and western Baptists. As well he attempts to explain the weaknesses of Maritime fundamentalism especially that preached by the two sectarian Baptists J J Sidey and J B Dagget. In the foreword to this volume Larry McCann Davidson Professor of Canadian Studies at Mount Allison University describes *Champions of the Truth* as a remarkable volume and Rawlyk as a gifted historian. He says that Rawlyk's essays firmly rooted in a theoretical base and centring on dialectical analysis constantly provoke Canadian Baptist Fundamentalism, 1878-1978 Taylor Murray, Paul R. Wilson, 2022-04-01. As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries *Canadian Baptist Fundamentalism* fills an important gap in the historiography. It explores the contributions of well known fundamentalists such as T T Shields, William Bible, Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan, E J Stobo and T A Meister. Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada. By drawing on material from across the country *Canadian Baptist Fundamentalism* addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study.

Memory and Hope David T. Priestley, 2006-01-01 How are Baptists distinctive as a Christian denomination? Canadian Baptists confronted with the question of discovering a common identity from the welter of strands of influence that make up their heritage may infer several answers from the essays in *Memory and Hope*. Focussing on Baptist history in central and western Canada, *Memory and Hope* discusses individuals, institutions and issues that have stirred Baptists in North America for two centuries, including confessionalism and eucharistic theology and fundamentalism vs modernism. Recurring themes include the Baptist role in education in Canada, the establishment of new churches, overseas missions and social responsibility. Essayists also examine the powerful forces that have influenced Baptist history: immigration, theology and society. Studies of missionary Samuel Stearns, Day fundamentalists Aberhart, Maxwell and Shields and social gospellers Sharpe and Shaw illustrate the diversity of ideas and personalities that have shaped and been shaped by the Baptist Church. *Memory and Hope*

is an important resource for the history of the Baptist Church in Canada In the issues it raises on the role of churches in the twenty first century it will also make a significant contribution to the study of religion in general *Baptists and Business* Paul R. Wilson,2025-05-08 This study of Baptist businessmen from Jarvis Street Baptist Church in Toronto breaks new ground The challenges to faith exerted by the arrival of a new materialistic social ethic and a business dominated culture in the last half of the nineteenth and early twentieth centuries has received little attention from Canadian historians Instead historians have primarily focused on religious leaders and intellectual challenges to faith This study examines the sociocultural challenges that confronted one group of central Canadian Baptist businessmen from 1848 to 1921 Essentially the findings offered here are used to sustain the argument that the rise of business and consumerism helped to secularize the beliefs values and practices of Baptist businessmen Furthermore the effects of secularization were profound on both the personal and church community levels **Baptists in Canada** Gordon L. Heath,Dallas Friesen,Taylor Murray,2020-12-16 Baptists arrived in what would become Canada in the mid eighteenth century and from those early arrivals Baptists from a wide variety of backgrounds planted churches in every region of the vast nation This book traces that history of Baptists in Canada and provides historical antecedents and theological rationales for their church polity Written in a generous spirit it recognizes what Baptists share with other Christian communities and how they differ among themselves on some matters It places Baptists in Canada in the larger historical and global context and concludes with commentary on opportunities and challenges ahead **Revivals, Baptists & George Rawlyk** Daniel Corey Goodwin,2000 **Toronto Journal of Theology** ,1992 **Journal of Ecumenical Studies** ,1991 *Fides Et Historia* ,2000 **Acadiensis** ,2004 American Baptist Quarterly ,2000 **American Evangelicalism II** Norris A.
