continue praying your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth Sooner than later you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality If you want to see positive change now you ll find the quickest path to fulfillment with prayer through God s love There is no time to spend on loss negativity and defeat when you can be achieving tangible historically proven results with minimum time and effort invested There is no limit to changes that God can make in your life through the power of creating truth with prayer Read This Book To Change Your Life Today Also available in ebook Format *The Messages of Medjugorje: The Complete Text, 1981-2014*
