Changelele Land A Continuity And Change In Philippine Politics:

A Changeless Land David G. Timberman, 2016-09-16 First Published in 1992 This book examines the elements of continuity and change in Philippine politics and government over the last quarter century The period covered from the early 1960s through 1988 encompasses three distinct phases the decline of traditional elite democracy the imposition of martial law and constitutional authoritarianism under Ferdinand Marcos and most recently the restoration of democracy under Corazon Aquino **Continuity and Change in Philippine Politics, 1946-1996** Rosario Mendoza de Cortes, 1996

Political Change in the Philippines Benedict J. Kerkvliet, 1974 **From Aquino II to Duterte (2010-2018)** Imelda Deinla, Björn Dressel, 2019-06-10 The Duterte administration is often considered a rupture in Philippine politics Yet how different is Duterte's programme of change from the past governments particularly from its predecessor the Aquino II administration Is there a shift in regime orientation and policy preferences from Aquino II to Duterte What will this mean to the future direction of Philippine democracy its economic development peace and security and relations with other countries This volume focuses on four critical areas politics and governance economic governance Mindanao peace process and international relations to illustrate continuities or discontinuities in policies and governance of institutions to explain the dynamics of change in the Philippines It pays particular attention to the crucial period between Aquino II and the early years of Duterte The reason is that Aquino II represents an important period for rebuilding and consolidating institutions of governance and accountability after two previous tumultuous administrations Yet Aquino II also demonstrates the inherent flaws of Philippine democracy and unravels the contradictory forces vying for state power that sets the scene for Duterte's rise Reflecting on the crucial transition period between the two presidencies while also providing a much needed update on the most noteworthy policy changes since Duterte's inauguration the book fills an important scholarly gap in understanding Asia's oldest and most puzzling democracy *Development and Modernization in the Philippines* Dov Weintraub, 1973 Pamphlet on problems of social change and the dynamics of modernization in the Philippines covering political aspects cultural factors economic implications sociological aspects etc *The Politics of Change in the Philippines* Yuko Kasuya, Nathan Gilbert Quimpo, 2010
