spiritual teachers of the twentieth century Life Changes But God Remains the Same Sandra Parr,2009 Have you ever been through some tough times in your life and you thought nobody knew how you felt Or that stuff only happens to you Well what I have discovered and what I have learned is that stuff happens to others too God takes us through our tests and trials to be able to help someone else along the way As a Child of God we go through things just like anyone else the difference between us and the world is that we have our Heavenly Father watching over us with the promise I ll never leave you nor forsake you It is not a weakness to admit that you have flaws and that sometimes you struggle God helps us when we are honest with Him and when we over come something He wants us to now strengthen our brother That s what I am hoping to do with this book XII Changes.
