Changes And Challenges Economic Transformation In Eastcentral Europe:

Changes and Challenges Pal Gaspar, 1996-03-01 *Cultural Change in East-Central European and Eurasian Spaces*

Susan C. Pearce, Eugenia Sojka, 2021-03-05 This book weaves together research on cultural change in Central Europe and Eurasia notably Bosnia and Herzegovina Kazakhstan Latvia Poland Russia and Ukraine Examining massive cultural shifts in erstwhile state communist nations since 1989 the authors analyze how the region is moving in both freeing and restrictive directions They map out these directions in such arenas as LGBTQ protest cultures new Russian fiction Polish memory of Jewish heritage ethnic nationalisms revival of minority cultures and loss of state support for museums From a comparison of gender constructions in 30 national constitutions to an exploration of a cross national artistic collaborative this insightful book illuminates how the region s denizens are swimming in changing tides of transnational cultures resulting in new hybridities and innovations Arguing for a decolonization of the region and for the significance of culture the book appeals to a wide interdisciplinary readership interested in cultural change post communist societies and globalization **Three**

Decades of Transformation in the East-Central European Countryside Jerzy Bański, 2019-06-26 This book identifies diagnoses and evaluates social and economic processes taking place in the rural areas of Central and Eastern Europe CEE states in the last 25 years and affecting the immediate future with a particular focus on their spatial diversity It addresses questions related to the rationality of the current development policy and possible results in the future Contemporary processes of socio economic development are typified by the fact that spatial and regional disparities are tending to increase This unfavourable phenomenon manifested both in society and in terms of polarised space needs to be counteracted using an effective development policy The book highlights issues concerning demography functional structure and non agricultural activity and identifies new challenges arising from membership of the European Union EU Accession to the EU and the opportunity to implement support measures has further increased the dynamism of transformation a processthat proceeded under various scenarios and different regulations and assumptions that have yet to be identified and evaluated Furthermore the current internal policies of individual CEE states concerning rural areas are diverse and likely to affect differential future development The book is based on the knowledge and experience of scientists from countries in the region investigated who have the best understanding of the subject matter and have observed the transformations It is intended for researchers exploring the development of the countryside and practitioners dealing with regional and national development policies targeting rural areas **Challenges to Democracies in East Central Europe** Jan Holzer, Miroslav Mareš, 2016-05-12

Democratic development in Central and Eastern Europe is not a finished project nor is its progress immune to internal and external threats The current social economic ethnic and political situation within the region presents new dangers This text identifies and analyses challenges to current East Central European democracies in terms of potential deconsolidation of democracy reflected in the changes in the institutional and procedural framework polity and in the choice of instruments and

strategies in the policy area Specifically examining the regimes of the Czech Republic Hungary Poland Slovakia and Slovenia these challenges include political extremism and violence corruption ethnic and religious conflicts Presenting original Central European data and utilising the concept of consolidation of democracy from von Beyme and Merkel s concept the book demonstrates that these challenges are as much influenced by imported phenomena such as immigration organized crime and other potential systemic undemocratic volatilities as the domestic situation This text will be of key interest to scholars and students East European politics post Soviet politics EU Studies security and strategic studies international relations area studies modern history and sociology

The Human Geography of East Central Europe David Turnock,2003-10-04 This book examines the geography of the transition economies that were not formerly part of the Soviet Union The main themes of the transition from communism to market capitalism are outlined and variations discussed

Environmental Problems in East-Central Europe Frank Carter,David Turnock,2002-09-26 In this new edition the progress made in the last decade to solve the environmental problems described in the first edition is assessed The attempts to bring environmental legislation into line with West European norms is also described Environmental Problems of East Central Europe looks at air and water pollution modern farming water supplies waste management and landscape protection These topics are placed within economic social and political profiles as spending on a clean environment must be reconciled with welfare spending and the safeguarding of jobs European Union assistance civil society and the work of environmental NGOs are also discussed All of these matters are considered within the context of the wider geographical area and then by each individual country including the previously communist states lying to the west of the Soviet Union now with the former federal states of Czechoslovakia and Yugoslavia broken up into seven different entities and a review of the former Soviet Union with particular reference to the Baltic States Environmental Problems in East Central Europe provides a wealth of up to date reference material with a vast amount of supporting literature on environmental conditions and the functioning of civil society and a map of each country The environment is being taken seriously by them all such is the influence of the Rio sustainability agenda in general and the EU environmental acquis in particular The book reveals that Eastern Europe is not a blighted area but in some respects has a higher biodiversity than Western Europe Although there is enormous waste and inefficiency in energy use people actually consume relatively little and the East therefore has some lessons for the West in terms of managing on the bases of fair share of the earth s resources

The Middle-Income Trap in Central and Eastern Europe Yaman Kouli,Uwe Müller,2023-11-10 Since the 1990s the economic development of Central and Eastern Europe has maintained high economic growth rates seemingly leading to an era of prosperity This very positive vision of future economic success linked to current political backlash and a long history of economic adversity is a thin veil of the economic way west for so called transition countries The Middle Income Trap in Central and Eastern Europe examines the reality of the diminishing marginal utility of further international investments alongside the pitfalls of higher government spending to

cultivate innovation which ultimately makes foreign capital less attractive In this volume authors from diverse disciplinary perspectives reflect on current debates surrounding the developmental bottlenecks in East Central Europe Their common goal is to analyze the manner of socio economic transformation question of the relevance and impact of the middle income trap and identify possible ways to escape it Revolution and Change in Central and Eastern Europe Minton F.

Goldman,1997 A comprehensive introduction to the nations of Central and Eastern Europe over a half century of turbulent change from post war subjugation by the Soviet Union to both shared and divergent experiences of post Communist transition to free market democracies **Change in Eastern/Central Europe** Alan Begg,André Du Pisani,1991
