Changing Classroom Cultures Antiracism Politics And Schools:

Changing Classroom Cultures Debbie Epstein, 1993 Developing strategies for effective anti racist education in predominantly white primary schools this book discusses the impact of both New Right and Labour Party new realist politics on the possibilities for anti racist anti sexist and anti heterosexist education in British schools *The RoutledgeFalmer Reader in Multicultural Education* David Gillborn, Gloria Ladson-Billings, 2004 Bringing together scholarship from both sides of the Atlantic this book focuses on the questions that shape the field of multicultural education offering the reader an opportunity to achieve a real grasp of the subject Routledge International Companion to Education Miriam Ben-Peretz, Sally Brown, Bob Moon, 2004-04-28 The Routledge International Companion to Education aims to address the key issues underpinning the rethinking and restructuring of education at the beginning of the new millennium *Critical Pedagogy and Race* Zeus Leonardo, 2009-02-09 Critical Pedagogy and Race argues that a rigorous engagement with race is a priority for educators concerned with equality in schools and in society A landmark collection arguing that engaging with race at both conceptual and practical levels is a priority for educators Builds a stronger engagement of race based analysis in the field of critical pedagogy Brings together a melange of theories on race such as Afro centric Latino based and postcolonial perspectives Includes historical studies and social justice ideas on activism in education Questions popular concepts such as white privilege color blind perspectives and race neutral pedagogies **Key Issues in Education Policy** Stephen Ward, Christine Eden, 2009-07-08 This work looks at state involvement in education and education policy It explains the role of education policy in the context of the general direction of government policy politics and the economy *Resources in Education* , 1994 **Racism and Antiracism in Real Schools** David Gillborn, 1995 This text focuses on racism in the policy research theory and practice of education It includes a study of anti racism at the level of whole school management and classroom practice The words of teachers and students are included to bring the issues to life **International Schools as Agents for Change** Nigel Bagnall, 2008 The book discusses various aspects of international schools the literature available the students who attend them the teachers and the teacher education programs curriculum multiculturalism and global citizenship **Conflicting Interests** Roberta Joan Herter, 1998 *Foundational Perspectives in Multicultural Education* Eduardo Manuel Duarte, Stacy Smith, 2000 This edited volume of works encourages students to think about contemporary post modern ideas regarding multiculturalism and multicultural education The wide range of selections will inspire critical classroom discussions **New Era in Education** , 1996 **The Making of Men** Mairtin Mac an Ghaill, 1994 Mairtin Mac an Ghaill explores how boys learn to be men in schools while policing their own and others sexuality The text focuses on the students confusions and contradictions in their gendered experiences and upon how schools actively produce through the official and hidden curriculum a range of masculinities which young men come to inhabit The author attempts to do full justice to the complex phenomenon of male heterosexual subjectivities and to the role of schooling

in forming sexual identities Culture and Schooling Elwyn Thomas,2000-04-07 This volume examines the impact of cultural differences on education and puts forward sound practical ideas which bridge the gap between theory and practice in education The book covers the nature of culture the need to understand cultural identity and diversity cultural transmission indigenization and how to promote better professional practice in education and schooling The author's intention is to identify the main issues in education and schooling to which cross cultural studies of human behaviour could provide insight to assess current relevant cross cultural research which could shed light on problems arising in schools and to develop strategies which would incorporate some basic cross cultural principles that would provide realistic guidelines for improving education practice Promoting Equality in Primary Schools Mike Cole,Dave Hill,Sharan-Jeet Shan,1997 This text sets out to provide a holistic approach to issues of equality in the primary curriculum In particular it looks at issues of social class gender disability special needs and sexuality with a view to laying down guidelines for the promotion of social justice in the classroom **Making Violence in Classrooms Visible Through the Stories of Flannery O'Connor** Carla Lee Verderame,1998 **YOU Wouldn't Understand** Sarah Pearce,2005 You Wouldn't Understand looks at ethnic diversity in schools through the eyes of teachers rather than pupils It tells the story of one white teacher's developing understanding of how her own racial and ethnic background influenced the way she regarded and taught the mainly South Asian Muslim children in her classes She began with a belief that narrowness in the curriculum was her students problem but she came to see the bigger picture The book charts her gradual realization that many of the problems come from her own lack of understanding of race racism and her own racial identity The book explores the idea of whiteness as not a biological but a social construction and one which influences white people's ways of seeing the world in often unnoticed ways The author relates whiteness to aspects of her own behaviour which she recorded in a diary over five years The book also considers the children's struggles to construct and understand their own emerging identities in this environment and the views of several other white teachers some of whom shared the author's confusion and doubts and others who were more confident about teaching in culturally diverse classrooms This searching analysis of the innards of whiteness and the way it affects how white teachers approach pupils who are not white is illuminating and important It should be required reading for all teacher trainers and all white trainee teachers as well as for white managers and teachers working in multi ethnic schools

Education and Democracy Melissa Benn,Clyde Chitty,2004-11-30 This collection of essays focuses on the big issues in education Many were embraced by Caroline Benn herself during her long and active life such as the concept of inclusion the campaign for comprehensive education the need to fight for educational reform alongside social justice and equality and a rejection of all attempts to pin harmful and outdated ability labels on children Contributors Jane Challice Michael Armstrong Ros George Roy Hattersley Janet Holland Max Morris Jenny Thewlis Sally Tomlinson Geoff Whitty Pat Ainley Glenn Rikowski Clyde Chitty John Clay Chris Searle Mike Cole Andy Green Maurice Plaskow Winning Ways of Coaching Writing Mary L.
