Changing Face Of Maritime Power:

The Changing Face of Maritime Power A. Dorman, M. Lawrence Smith, M. Uttley, Mike Lawrence Smith, 1999-02-24

The end of the Cold War has affected debates about maritime strategy doctrine operations and technology What has emerged is an intellectual reconsideration of the theory and practise of maritime power This volume addresses these themes in a systematic and over arching way and brings together contributions from internationally renowned scholars It focuses on the implications for western navies of shifts in strategic thinking maritime doctrine technology and naval roles *Modern Naval History* Richard Harding, 2015-12-17

Specifically structured around research questions and avenues for further study and providing the historical context to enable this further research *Modern Naval History* is a key historiographical guide for students wishing to gain a deeper understanding of naval history and its contemporary relevance Navies play an important role in the modern world and the globalisation of economies cultures and societies has placed a premium on maritime communications *Modern Naval History* demonstrates the importance of naval history today showing its relevance to a number of disciplines and its role in understanding how navies relate to their host societies Richard Harding explains why naval history is still important despite slipping from the attention of policy makers and the public since 1945 and how it can illuminate answers to questions relating to economic diplomatic political social and cultural history The book explores how naval history has informed these fields and how it can produce a richer and more informed historical understanding of navies and sea power **Technology and the Changing Face of Humanity** Richard Feist, Rajesh Shukla, Chantal Beauvais, 2010

A philosophical examination of technology s influence It explores the relationship between technology and free will Rejecting the notion of technology as a neutral addition to our lives it also examines the type and degree of our society s technological dependence Reader's Guide to Military History Charles Messenger, 2013-10-31
