Tsang, 2011-05-23 Challenging the Stigma of Mental Illness offers practical strategies for addressing the harmful effects of stigma attached to mental illness It considers both major forms of stigma public stigma which is prejudice and discrimination endorsed by the general population and self stigma the loss of self esteem and efficacy that occurs when an individual internalizes prejudice and discrimination Invaluable guide for professionals and volunteers working in any capacity to challenge discrimination against mental illness Contains practical worksheets and intervention guidelines to facilitate the implementation of specific anti stigma approaches Authors are highly experienced and respected experts in the field of mental illness stigma research

Expanding Perspectives on Human Rights in Africa M. Raymond Izarali, Oliver Masakure, Bonny Ibhawoh, 2019-03-14 This book draws attention to emerging issues around the rights of minorities marginalized groups and persons in Africa It explores the gaps between human rights provisions and conditions showing that although international human rights principles have been embraced in the continent various minority groups and marginalized persons are denied such rights through criminalization and persecution African countries have a good record of signing and ratifying international and regional rights instruments but the political will and capacity for enforcing these with respect to minorities remain weak International contributors to the book provide new perspectives on the rights of marginalized and minority groups in different parts of Africa and the extent to which they are deprived or denied entitlement to the universality and equality articulated in law The authors show that human rights while having come of age as a moral ideal has not been fully
