

Chanhaben A Centennial History

Glenn W. Offermann

Chanhaben A Centennial History:

Chanhassen Daniel John Hoisington,1996-01-01 *The 2nd U.S. Sharpshooters at Gettysburg* Mark W. Allen,2024-10-25

The many works on the Battle of Gettysburg have neglected the role of the 2nd U S Sharpshooters known for their extensive training and specialized tactics This history is the first to explore the actions on July 2 1863 of this Union Army regiment largely composed of men from Maine Michigan Minnesota New Hampshire Pennsylvania and Vermont Drawing on newly discovered primary sources this book seeks to clarify mysteries such as the identity of the non commissioned officer who met with Company B of the 20th Maine and the location of Major Homer R Stoughton during the battle Following the understrength regiment as it confronts two Confederate brigades this thorough historical narrative presents a long untold story of the Battle of Gettysburg

Reference Guide to Minnesota History Michael Brook,1974 Almost all entries are to be found in the library of the Minnesota Historical Society P 2

United States Business History, 1602-1988 Richard Robinson,1990-09-11 This unique volume provides a survey of U S business history in a chronological framework Designed as a basic chronology of representative events the work covers the years from 1602 to 1988 presenting those events that pioneered trends and those that represented what was generally happening at a particular time Richard Robinson has included minor details and incidents that are often missed in other histories of business and has arranged the descriptive historical data in a way that allows readers to draw their own conclusions about the trends and impact of American business Each chronological entry is divided into two sections The first covers general events describing the changes in lifestyles and living conditions that affected business and the marketplace Economic conditions government actions educational developments social indicators union activities and inventions are included here as are certain articles and books that note the concerns of a particular time The second section covers business events charting the rise and fall of those enterprises engaged in producing goods or providing services Small companies are featured alongside conglomerates and wherever possible the chronology focuses on the colorful individuals the entrepreneurs financiers promoters and others who played such an important role in American business With its chronological presentation the book not only offers a clear picture of the development of U S business but also a strong indication of how deeply it is interwoven in the fabric of society It will be a valuable resource for courses in business history sociology and American history and an important addition to both public and academic libraries

Hennepin County History ,1952

Historical Dictionary of the Philippines Artemio R. Guillermo,2012 The Historical Dictionary of the Philippines Third Edition contains a chronology an introductory essay an extensive bibliography and several hundred cross referenced dictionary entries

Vacationland William Philpott,2013-08-30 Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland

tells the story of the region's dramatic transformation in the decades after World War II when a loose coalition of tourist boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong personal connections to their landscapes of leisure and in many cases reinventing their lifestyles and identities to make vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place *Dols Family History, 1689-1989* Betty Dols, 1989

Placing Nature Joan Nassauer, 2013-02-22 Landscape ecology is a widely influential approach to looking at ecological function at the scale of landscapes and accepting that human beings powerfully affect landscape pattern and function It goes beyond investigation of pristine environments to consider ecological questions that are raised by patterns of farming forestry towns and cities Placing Nature is a groundbreaking volume in the field of landscape ecology the result of collaborative work among experts in ecology philosophy art literature geography landscape architecture and history Contributors asked each other What is our appropriate role in nature How are assumptions of Western culture and ingrained traditions placed in a new context of ecological knowledge In this book they consider the goals and strategies needed to bring human dominated landscapes into intentional relationships with nature articulating widely varied approaches to the task In the essays novelist Jane Smiley ecologist Eville Gorham and historian Curt Meine each examine the urgent realities of fitting together ecological function and culture philosopher Marcia Eaton and landscape architect Joan Nassauer each suggest ways to use the culture of nature to bring ecological health into settled landscapes urban geographer Judith Martin and urban historian Sam Bass Warner geographer and landscape architect Deborah Karasov and ecologist William Romme each explore the dynamics of land development decisions for their landscape ecological effects artist Chris Faust's photographs juxtapose the crass and mundane details of land use with the poetic power of ecological pattern Every possible future landscape is the embodiment of some human choice Placing Nature provides important insight for those who make such choices ecologists ecosystem managers watershed managers conservation biologists land developers designers planners and for all who wish to promote the ecological health of their communities **Acta Et Dicta**, 1935 **Consolidated Index**

to Minnesota History, Volumes 11-40 (1930-67) Helen T. Katz,1983 *America, History and Life* ,1983 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **They Chose Minnesota** June Drenning Holmquist,1981 Based on ground breaking research this book describes the unique concerns of individual ethnic groups and delves into their personal Minnesota stories farmers and factory workers families and single people idealists and pragmatists people who were devout or irreligious those who cut ties with their homeland and formed part of Minnesota s ethnic saga American Book Publishing Record ,2004
