**Theology of the Old Testament** Walter Brueggemann, 2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time

Mariottini, 2025-11-18 Do You Know the God of Ancient Israel's Women of Faith Believers today are facing a profound spiritual poverty an ignorance of the women who shaped their faith and as a result an incomplete understanding of the God those women faithfully served The inspired writers of the Old Testament mention over one hundred women by name and countless others in passing Yet how many of us know the stories of these women and the God who wrote them Sheerah built three cities and had one named after her Jehosheba executed a covert operation to preserve the Davidic line Miriam left us a legacy of worship that persists to this day Then there are the women who proclaimed the good news of God prophesied truth

to power protected Israel from her enemies relentlessly interceded for God to act and passed along a living faith in the God who did Each of these women and their stories finds a place in God s redemptive plan for his creation In Ancient Israel s Women of Faith Claude Mariottini introduces readers to a fresh reading of Scripture that takes seriously these stories In doing so he challenges anachronistic modern readings of the text by providing helpful contextual information including nuances in the original language histories of translation and observations on the cultural political legal economic and religious landscapes of their time Readers of this title will walk away with new insights questions and areas for research but more importantly they ll walk away with a new understanding of the God of ancient Israel s women of faith Christian Liberty and Other Sermons, 1916-1917 Hensley Henson,1918 Heart of Faith Joseph E.L. Dewberry,2023-02-09 As King David was a man after Gods own heart so Joseph E L Dewberry has penned his thoughts showing us how to seek God and be inspired by His Word He encourages us to satisfy our hunger be thankful and fall in love with Jesus over and over again The author encourages us to seek God in True Worship reminding us that God is forever Faithful and through His forgiveness we can make use of our limitations leaving our challenges in His hands We are inspired to become spiritually addicted so that we can face the giants that confront us on a daily basis So if you are ready to meet the challenge and seek God with an open heart this is the read for you Be open to hearing His voice and you will be more than encouraged This devotional will meet you where your need and God s inspired Word intersects **The American Ecclesiastical Review** Herman Joseph Heuser,1947 *New Challenges to Faith* Sherwood Eddy,1926 Encounter with Israel: a Challenge to Conscience Arthur Roy Eckardt,1970 **The Biblical Journey of Faith** Frank R.
