To Whom Shall We Go Irene Alexander, Christopher Brown, 2021-05-07 With the world turned upside down by the global pandemic people of faith aligned to the upside down kingdom of Jesus are asking how do we sing the Lord's song in these times How do we now live worship and serve amid such upheaval insecurity fear grief and social isolation Is it just to endure the worst or to seek the best by walking the way of the cross Is there an invitation to renewed kingdom citizenship of heaven and earth Our backgrounds will impact our responses as will our prayers our scripture reflections our worship and our willingness to put the center of ourselves outside to offer unlimited space for others With backgrounds in medicine physics economics missiology theology social activism pastoral care and spiritual companionship these writers engage such questions There is a cruciform shape to their reflections and to the prayers and liturgies they include We glimpse the One who is with us and for us in these troubled times sharing our laments fostering kingdom heartedness igniting our passions offering tender mercies decluttering our hearts making peace instilling courage and inviting our participation Though in crisis times our poverty of spirit is amplified the kingdom of heaven is wide open With contributions from Terry Gatfield Athena Gorospe Ross McKenzie Tim McCowan Paul Mercer Sarah Nicholl Charles Ringma

**George MacDonald's Challenging Theology of the Atonement, Suffering, and Death** Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable

sin hope for growth and death Under consideration is Thomas Hooker s Poor Doubting Christian Drawn unto Christ on the redemption of Joan Drake and its influence on MacDonald s Wingfold trilogy MacDonald s version of the Wandering Jew MacDonald s interpretation of Coleridge s The Rime of the Ancient Mariner and Dante s Divine Comedy and similarities and differences between the theological ideas of MacDonald C S Lewis Elizabeth Prentiss and Shusaku Endo Wonder-Full Education Kieran Egan,Annabella I. Cant,Gillian Judson,2013-07-24 For many children much of the time their experience in classrooms can be rather dull and yet the world the school is supposed to initiate children into is full of wonder This book offers a rich understanding of the nature and roles of wonder in general and provides multiple suggestions for to how to revive wonder in adults teachers and curriculum makers and how to keep it alive in children Its aim is to show that adequate education needs to take seriously the task of evoking wonder about the content of the curriculum and to show how this can routinely be done in everyday classrooms The authors do not wax flowery they present strong arguments based on either research or precisely described experience and demonstrate how this argument can be seen to work itself out in daily practice The emphasis is not on ways of evoking wonder that might require virtuoso teaching but rather on how wonder can be evoked about the everyday features of the math or science or social studies curriculum in regular classrooms 150

*Great Books* Bonnie A. Helms,1986 This collection of 150 great books is designed to motivate student exploration and is divided into ten units presenting experiences common to people in all times and societies All of the titles will not be suitable for all students but something will interest each individual reader Aspects and Issues in the History of Children's Literature Maria Nikolajeva,1995-06-13 The contributors to this collection of essays address children s literature as an art form rather than an educational instrument as has been the traditional approach Scholars from 10 different countries present a variety of approaches to the history of children s literature including views on sociological semiotic and intertextual models of its evolution Other issues explored include influence and interaction between stories and their countries of origin This strong presentation of international perspectives on children s literature will be a valuable resource for scholars of children s and comparative literature
