**But First, Champagne** David White, 2016-10-18 Both the region of Champagne and its wines have always been associated with prestige and luxury. Knowledgeable wine enthusiasts have long discussed top Champagnes with the same reverence they reserve for the finest wines of Bordeaux and Burgundy. But everyday Americans usually keep Champagne way back on the high shelf. It's for big celebrations, send offs and wedding toasts and more often than not is bought by the case. The good stuff costs plenty and frankly rarely seems worth the price. Today though Champagne is in the midst of a renaissance no longer to be unjustly neglected. Over the past decade an increasing number of wine enthusiasts have discovered the joys of grower Champagne wines made by the farmers who grow the grapes. Thanks to a few key wine importers and America's newfound obsession with knowing where food comes from these shipments have been climbing steadily. In *But First Champagne* author David White details Champagne's history along with that of its wines, explains how and why the market is changing and profiles the region's leading producers. This book is essential reading for wine enthusiasts, adventurous drinkers, foodies, sommeliers and drinks professionals. With a comprehensive yet accessible overview of the region, its history and its leading producers, *But First Champagne* will demystify Champagne for all. From the foreword: Smart, entertaining and valuable, one of those rare wine books that should appeal to people just getting into Champagne and longtime Champagne obsessives. Ray Isle, Executive Wine Editor, Food Wine Press.

*Press for Champagne: A Guide To Enjoying The World's Greatest Sparkling Wine* Christopher S. Ruhland, 2021-10-18 Champagne is the most magical of wines and the most misunderstood. A glass of Champagne delivers joy, amusement, conviviality and jubilation, making drinking Champagne one of life's great pleasures. Champagne is not so much meant for celebrations as it is a gift that generates celebration on demand. Yet few wine drinkers truly know Champagne well enough to seize the joy they could be drawing from it. Champagne marketing and labels often confuse more than they inform. And understanding the different styles, types and producers of Champagne and how they align with your own personal preferences can seem like a daunting task. *Press for Champagne* leads you through a personal discovery of Champagne that removes the barriers to maximizing the joy Champagne has to offer you. Entertaining, informative, organized and clear, *Press for Champagne* takes you on a journey through the broad array of Champagnes available to today's drinkers. It shows you through examples how and why Champagnes differ and how to understand them, giving you the tools to develop your own preferences and explore further. This is a drinker's guide to Champagne. *Press for Champagne* accompanies you on an adventure that will enhance your appreciation of Champagne and the pleasure you receive from it.
