## **Changing Faces A History Of The Guardian 195688:**

*Changing Faces* Geoffrey Taylor,1993      **The British Press, Public Opinion and the End of Empire in Africa**

Rosalind Coffey,2022-01-30 This book provides fresh insights into how the British press affected both British perceptions of decolonisation in Africa and British policy towards it during the wind of change period It also reveals for the first time the extent to which British newspaper coverage was of relevance to African and white settler readerships British newspapers informed the political strategies and civic cultures of African activists nationalists liberal whites in Africa the staunchest of white settler communities and the first governments of independent African states and their opponents The British press British public opinion and British journalists became etched into the lived experiences of the end of empire affecting Anglo African and Anglo settler relations to this day Arguing that the press cast a transnational web of influence over the decolonisation process in Africa the author explores the relationships between the British African and settler public and political spheres and highlights the mediating power of the British press during the late 1950s The book draws from a range of British newspapers official government documents newspaper archives interviews memoirs autobiographies and articles printed in African and white settler papers It will be of interest to historians of decolonisation Africa the media and the British Empire

Feminism in the News K. Mendes,2011-10-03 An exploration of the representations of the women s movement its members and their goals between 1968 and 2008 in the British and American press Examining over 1100 news articles the book analyses the nuanced ways feminism has historically been supported marginalized and debated in the mainstream press

**The Israeli-Palestinian Conflict in the British Press** Ruth Sanz Sabido,2019-10-15 The Israeli Palestinian Conflict in the British Press provides an extensive empirical analysis of how the Israeli Palestinian conflict has been constructed in British national newspapers since 1948 It traces the evolution of representations of the conflict by placing them in a historical context with particular reference to Britain s postcolonial relation to Palestine and by presenting an in depth analysis of the evolution of press language including the use of terms such as terrorism and terrorist to classify agents of political violence It applies an original approach to the study of media coverage using a Postcolonial Critical Discourse Analysis framework an innovative method that examines selected case studies in relation to theories of postcolonialism and discourse Using this unique hybrid methodology Sanz Sabido provides a thorough and precise unpicking of a highly mediated conflict

The Great Romantic Duncan Hamilton,2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn t know a leg break from the pavilion cat at Lord s he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold

Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist s aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown The Great Romantic uncovers the dark enigma within a golden age      **Regulating The Press** Tom O'Malley, Clive Soley, 2000-11-20 Courageous reporting read this book Michael Moore\_x000B\_Original hardback edition of this New York Times bestseller      The Guardian Book of April Fool's Day Martin Wainwright, 2007 Martin Wainwright explores April Fools Day s development into a media phenomenon collects all the best spoofs revels in the gullibility that greets the tallest stories and finds the most incredible stories published on this day that were actually true      *The Guardian Index* ,1993

**Britain's Secret Propaganda War** Paul Lashmar, James Oliver, 1998 Britain s Secret Propaganda War is the first book to be written about The Foreign Office s Information Research Department IRD an important chapter in the history of the Cold War The narrative is driven by actual accounts of IRD covert operations and includes a number of exclusives The IRD was set up under the Labour Government in 1948 and clandestinely financed from the Secret Intelligence Service budget A large organisation with close links to MI6 with whom it shared many personnel it waged a vigorous covert propaganda campaign against Eastern Bloc Communism for nearly thirty years using journalists politicians academics and trade unionists none of whom were unwitting Such famous names as George Orwell Denis Healey Stephen Spender Bertrand Russell and Guy Burgess helped or backed the work of IRD      **The Jewish Quarterly** ,1993      **Ulster Loyalism and the British Media** Alan F. Parkinson, 1998 The growing body of research into Ulster loy alism has tended to focus on its political nature rather th an on its representation in the British media This book exa mines media representations of the loyalists and looks at h ow this has affected policy      *Australian Studies in Journalism* ,2005      **The Twentieth-century Newspaper Press in Britain** David Linton, 1994 This bibliography deals with the 20th century British newspaper press and the individuals concerned with it proprietors journalists and illustrators Its 3500 entries include books theses articles and commemorative issues A chronology and a detailed subject index are included      New Statesman Society ,1993      *JQ. Journalism Quarterly* ,1994 Includes section Book reviews and other bibliographical material      **Fleet Street** Dennis Griffiths, 2006 Presents the history of the press in London from its earliest days through to the relaunch of The Guardian This book talks about political opinion commercial opportunism technological advances price wars satisfying the thirst for news the influence of editors great feature writers gossip columnists advertising campaigns and more This authoritative history of the press in London from its earliest days through to the relaunch of The Guardian this year tells a fascinating story There were newsbooks during the turbulent Civil War period and rigorously state controlled newspapers such as the London Gazette launched

afterwards but the newspaper industry as we know it today really began to flourish in the 1690s when released from censorship New papers have been launched every year since then and just a few have adapted and survived Give the readers what they want soon became the watchword used And that is what this book aims to do too Political opinion commercial opportunism technological advances price wars satisfying the thirst for news with newshounds who sniff out the day's stories the influence of editors great feature writers gossip columnists advertising campaigns the invention of the cartoon strip and crosswords the power of the Press Barons and then the breaking of the power of the unions all contribute to the story that Griffiths weaves so expertly      **The Media Guide 1994** Steve Peak,1993 Shortlisted for the UKLA Academic Book Award 2013 Literacy empowers learning across the whole curriculum and language is at the centre of all learning in primary education Aware of current curriculum developments and drawing from the latest research Teaching Primary English encourages teacher education students to develop a deeper understanding of the essential issues involved in teaching English in order to approach a career in the primary classroom with the confidence and knowledge required to succeed Taking a fresh approach to the main elements of teaching primary English Jackie Brien strikes an engaging balance between the practical requirements of English teaching and encouraging informed reflection on key aspects of primary literacy This is essential reading for everyone studying primary English on primary initial teacher education courses including undergraduate BEd BA with QTS postgraduate PGCE SCITT and employment based routes into teaching Jackie Brien is Curriculum Leader for English Communication Language and Literacy at the University of Chester      **Oxford Dictionary of National Biography: Tonson-Usher** Henry Colin Gray Matthew,Brian Harrison,Brian Howard Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002      **The British National Bibliography** Arthur James Wells,1993      *Where did you hear that?* Silvia Vogt,2000
