

Changing Face Of Brazil

Edward Parker

Changing Face Of Brazil:

The Changing Face of Northeast Brazil Kempton Evans Webb, 1974 Home to the New York Yankees the Bronx Zoo and the Grand Concourse the Bronx was at one time a haven for upwardly mobile second generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream Once hailed as a wonder borough of beautiful homes parks and universities the Bronx became during the 1960s and 1970s a national symbol of urban deterioration Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson crime and housing abandonment turning blocks of apartment buildings into gutted graffiti covered shells and empty trash filled lots In this revealing history of the Bronx Evelyn Gonzalez describes how the once infamous New York City borough underwent one of the most successful and inspiring community revivals in American history From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York's growing and increasingly more diverse African American and Hispanic populations this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods the heady optimism of industrial progress and the despair of economic recession and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough's rejuvenation In recounting the varied and extreme transformations this remarkable community has undergone Evelyn Gonzalez argues that it was not racial discrimination rampant crime postwar liberalism or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s Rather the decline was inextricably connected to the same kinds of social initiatives economic transactions political decisions and simple human choices that had once been central to the development and vitality of the borough Although the history of the Bronx is unquestionably a success story crime poverty and substandard housing still afflict the community today Yet the process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future

The Changing Face of Brazil Edward Parker, 2001 As the people of Brazil tell their own stories about their lives their jobs their families learn how these changes affect them Some are becoming rich while others have difficulty finding enough to eat Find out how the largest remaining rainforest on the planet has been partially destroyed and what is now being done to protect it Includes maps and graphic panels showing statistics and fact boxes about size population religion currency and language

The Changing Face of Religion James A Beckford, Thomas Luckmann, 1989-06 Most of the chapters in this volume were contributed to a symposium on the Changing Face of Religion which formed part of the World Congress of Sociology in New Delhi India 1986

State, Technology, and the Changing Face of United States-Latin American Economic Relations Martin Carnoy, 1989
