**Challenging Bias in Forensic Psychological Assessment and Testing** Glenda C. Liell, Martin J. Fisher, Lawrence F. Jones, 2022-11-30 Challenging Bias in Forensic Psychological Assessment and Testing is a groundbreaking work that addresses the biases and inequalities within the field of forensic psychology It gives valuable insights into individual practices and wider criminal justice approaches at an international level while providing tangible solutions to tackle the disparities This book constructively critiques current forensic practice and psychological assessment approaches through a variety of diverse voices from pioneering researchers around the world who offer their expertise on these challenges and assist the reader to consider their potential contribution to pushing forward the frontiers of Forensic Psychology The authors also locate the origin of these biases in order to further dismantle them and improve the outcomes for the forensic client base especially specific diverse populations They emphasise the need to be creative and evolve not just in line with the real world changes of today but also to prevent the issues of tomorrow before they become the next news headline This is a must read for professionals working in criminal justice forensic psychology legal psychology and related fields It is also a compelling resource for students and researchers of forensic psychology with particular interest in social diversity and inclusion

*The Word* Guy Alfred Aldred, 1953 **Toward Inclusion and Social Justice in Institutional Translation and Interpreting** Esther Monzó-Nebot, María Lomeña-Galiano, 2024-03-29 This collection re envisions the academic study of institutional translation and interpreting ITI revealing oppression in established institutional spaces toward challenging existing policies and the myths which inhibit critical inquiry within the field ITI is broadly conceived here as translation and interpreting delivered in or for specific institutions understood as social systems and spanning national supranational and international organizations as well as immigration detention centers prisons and national courts The volume is organized around three parts which explore ITI spaces and practices revealing oppressive practices dispelling myths regarding translation and interpreting and

shedding light on institutional spaces that have remained invisible and hidden and therefore underexplored The chapters in this book vividly illustrate similarities and contrasts between the different contexts of ITI revealing shared power dynamics that uphold social hierarchies Throughout this comparison the book makes a compelling case to consider the different contexts of ITI as equally contributing to actionable knowledge on how institutions shape translation and interpreting and how these are operated in sustaining such hierarchies Offering a window into previously underexplored spaces and generating new lines of inquiry within ITI studies this book will be of interest to scholars and policymakers in translation and interpreting studies *The Challenge of the War* Henry Frank,1919 **National American Kennel Club Stud Book**
