Nature's Challenge to Free Will Bernard Berofsky, 2012-01-05 This book offers a defense of humean compatibilism which bases the belief in the compatibility of free will and determinism on David Hume's idea that laws do not uphold the existence of necessary connections in nature

*Bound to Be Free* D. A. Horton, 2016-03-01 Bound to Be Free uses Scripture to recalibrate our hearts so we can walk in the freedom Christ has provided from sin and from the encumbrances that weigh us down There's nothing more heartbreaking than to see saints who are bound by performance not realizing there is freedom through Christ In the midst of performance we try to please everyone to do what we think makes God happy to live a good life and we don't realize that the walls are closing in around us There are four walls in the trap of performance our trajectory our relationships our affirmation and our peers Each of these speaks deeply to our souls as something we need in order to have a good life but we enslave ourselves to something that will never be enough Instead God invites us into the trap of grace which frees us The life giving walls of this trap are trust in God reconciliation with God affection from God and partnership with our brothers and sisters in Christ As we acknowledge how we are bound by performance we can with God's help flee into the captivity of grace and rest in God's unfailing love

**Daring to Be Free** Sudhir Hazareesingh, 2025-12-02 A revelatory history of enslaved people's resistance and self emancipation across the Atlantic world and beyond In the 1720s the West African chief Tomba was abducted for organizing the local resistance against slave raiders and imprisoned on a British ship where he promptly led a revolt using a smuggled hammer In the early nineteenth century a pregnant woman named Solitude rallied laborers and soldiers to resist Napoleon's efforts to reimpose slavery on Guadeloupe A few decades later Frederick Douglass fashioned his own template for self emancipation In Daring to Be Free the acclaimed historian Sudhir Hazareesingh recasts the story of slavery's end by showing that the enslaved themselves were at the center of the action their voices their resistance and their extraordinary fight for freedom Throughout Daring to Be Free portrays the struggle for liberation from the perspective of the enslaved and wherever possible in their own words It highlights the power of collective action stressing the role of maroon communities conspiracies insurrections and spiritual movements from Haiti and Brazil to Cuba Mauritius and the American South These acts of resistance involved entire communities with women often at the heart of the story as warriors organizers and agents of radical change Employing written archives and oral history Daring to Be Free shows how the struggle for freedom was shaped less by Western Enlightenment or Christian ideals than by the enslaved's own spiritual martial and cultural resources Emancipation wasn't handed down by benevolent reformers it was seized again and again by those who demanded freedom This vital eye opening history reclaims abolition for those who fought to liberate themselves
