**Multicultural Citizenship** Jean-François Caron, François Boucher, 2024-11-29 Multicultural Citizenship Legacy and Critique allows the philosopher an opportunity to consider the evolution and transformation of Will Kymlicka's theories from Multicultural Citizenship A Liberal Theory of Minority Rights Canonical in the field of multiculturalism Will Kymlicka's work developed an original way of recognizing and accommodating ethnic groups and national minorities through liberal democratic principles This new volume brings together expert scholars to evaluate the impact of Kymlicka's book on their own views and the field's general progression over the past three decades and brings Kymlicka to face new questions challenging multiculturalism and re-evaluate the main ideas of his original theory by reflecting on its development Through engagement with the contributors chapters Kymlicka ends this edited collection with proposals for new ways of understanding multiculturalism at a time of rising anti-immigration populism and nativist movements This book offers a modern outlook on multiculturalism with contributions from a diverse group of authors as well as Will Kymlicka himself and will be of great interest to scholars and students of migration nationalism minority rights sociology law and politics

**The Toronto School of Communication Theory** Rita Watson, Menahem Blondheim, 2008-02-23 While never formally recognized as a school of thought in its time the work of a number of University of Toronto scholars over several decades most notably Harold Adams Innis and Marshall McLuhan formulated a number of

original attempts to conceptualize communication as a phenomenon and launched radical and innovative conjectures about its consequences This landmark collection of essays re assesses the existence and re evaluates the contribution of the so called Toronto School of Communication While the theories of Innis and McLuhan are notoriously resistant to neat encapsulation some general themes have emerged in scholarly attempts to situate them within the discipline of communications studies that they helped to define Three such themes focus on the effects and consequences of communications emphasis on communications as a process rather than as structure and a sharp focus on the technology of communication or the medium are the most fundamental in characterizing the unique perspective of the Toronto School This collection not only represents a crucial step in defining the Toronto School it also provides close analysis of the ideas of its individual members

Israeli Institutions at the Crossroads Raphael Cohen-Almagor,2005 This is a fascinating collection of essays about Israeli society and its institutions It is written by practitioners who have experience and understanding who are equipped with the insight and knowledge and who bore responsibility while serving the public in the various institutions Among the authors are former State President Yitzhak Navon former cabinet minister Gad Yaakobi former Deputy Speaker of the Knesset Naomi Chazan former Attorney General Elyakim Rubinstein Former Supreme Court President Meir Shamgar the State Comptroller Eliezer Goldberg and former member of the Press Council Raphael Cohen Almagor The decision makers provide fresh practical observations and personal valuable accounts of their respective roles The book aims to tackle timely concerns analyzing the relationships between democracy and bureaucracy the military political complex the issue of separation of powers in democracy and more specifically the role of the Supreme Court and the need for a written solid constitution It also discusses citizenship education The book will be useful to researchers on Israeli democracy students teachers historians sociologists political scientists and legal scholars who wish to better understand this fascinating society and its institutions
