Champions Of The Poor The Economic Consequences Of Judeo Christian Values:

Champions of the Poor Barend A. De Vries,1998 The author brings together thinking from various ethical and religious sources to examine questions relating to the influence of an economic system on our society and societies around the globe Following an introduction and overview he discusses the economy of poverty and the ethics of social just *Champions of the Poor* Barend A. DeVries,1998-03-01 Barend A de Vries a distinguished international economist examines the economic roots of poverty the actions that can be taken to eradicate it and the ethical case for integrating the poor into the mainstream of society De Vries applies Judeo Christian ethics in particular the values of social justice and compassion for the poor to the problem of poverty in both the United States and in developing countries Bringing together the insights of economics and ethicists he considers both the economic feasibility of religious views regarding the eradication of poverty and the ethical aspects of economic programs He analyzes the poverty of women resulting from discrimination the impact of environmental degradation on the poor the allocation of funding to military rather than social programs and the implications of the enormous debts incurred by poor countries In addressing these conditions he demonstrates the pressing need for action on both economic and ethical grounds *Champions of the Poor* offers an unbiased presentation of the ethical positions taken by Jews Catholics mainline Protestants and Evangelicals and stresses the need for all social sectors religious and secular business labor and government to work together to eradicate poverty By reassessing poverty from these seemingly disparate approaches it seeks to bring us closer to solving this age old problem *Catholic Moral Theology and Social Ethics* Christina Astorga,2013-12-01 Proposing a new method for moral theology Christina Astorga seeks to recast our understanding of the discipline by drawing from the faith vision of the entire theological enterprise including scripture dogmatic theology social ethics and spirituality **The Case for the Living Wage** Jerold L. Waltman,2004 Waltman provides a detailed background for debates on welfare workfare and the living wage Reviews U S policy and demonstrates why early advocates of the welfare state wanted a living wage why it has failed and how it could be an essential element in providing economic justice and contributing to the prosperity of all Also explains the difference between a minimum and a living wage and a fair and a just wage causes and issues of poverty and inequality *The Myth of the Saving Power of Education* Hannah Adams Ingram,2021-05-20 In the United States young people are bombarded with messages that they must go to college in order to secure their place in the middle class Those who are most disadvantaged in society are the most frequent recipients of this rhetoric because people believe that education is the one ticket that can save them from poverty Like the belief that there is only one avenue for salvation from hell to heaven the notion of salvific education presents a single answer to the problem of inequality if you want to be saved from poverty and oppression you must go to college In this book Hannah Adams Ingram interrogates the presumed promise of education and argues that the myth itself perpetuates rather than alleviates social inequality *The Myth of the Saving Power of Education* asks educators to reclaim the liberative potential of education and asks

Christians to repent of judging individual worth based on the same merits as the secular market system **Having** William Schweiker, Charles T. Mathewes, 2004 In today's market economies people constitute much of their identity in relation to the things they possess and communities facilitate social intercourse and survival by means of property relations What if anything might the study of the biblical religions contribute to thinking about and responding to the basic reality of having In this book scholars in a variety of fields theology ethics economics and biblical studies address in new and penetrating ways the meaning of having in religious and social life and offer a number of compelling answers to challenging questions about property and possession in our present global age **Justice and Compassion in Biblical Law** Richard H. Hiers, 2009-12-14 The theory and praxis of biblical law in the historical and contemporary landscape of American law and culture is contentious and controversial Richard Hiers provides a new consideration of the subject with an emphasis upon the underlying justice and compassion implicit within Special consideration is given to matters of civil law the death penalty and due process An analysis of various biblical trial scenes are also included The book draws on and in turn relates to three areas of scholarship and concern biblical studies social ethics and jurisprudence legal theory Modern legal categories often illuminate the nature of biblical law for instance by distinguishing between inheritance and bequests or wills a distinction not found in traditional biblical commentaries and by identifying the meaning or function of biblical laws by using such categories as contract and tort law due process equal protection and social welfare legislation Several discussions throughout the book compare or contrast biblical laws with modern Anglo American law or social policies Each chapter begins with two or three relevant quotations one or two from biblical texts and sometimes from one or two relevant latter day sources notably Magna Carta the United States Constitution and writings by Ayn Rand and Robert Bellah Although modern law usually shows greater compassion biblical law often combines concern for both justice and compassion in ways that sometime provide grounds for critiquing modern counterparts The Journal of Markets & Morality, 1999 **Jesus Was a Liberal** Scotty McLennan, 2025-03-14 For the millions of people who identify as liberal Christians In McLennan's bold call to reclaim ownership of Christianity he advocates a sense of religion based not on doctrinal readings of scripture but on the humanity behind Christ's teachings He addresses such topics as intelligent design abortion same sex marriage war torture and much much more As he says in the Preface We liberal Christians know in our hearts that there is much more to life than seems to meet the rational eye of atheists yet we find it hard to support supernatural claims about religion that fly in the face of scientific evidence Journal of Economic Literature, 1998 **The Journal of Jewish Studies**, 1997 Heythrop Journal, 1998 A select book list appears quarterly **American Book Publishing Record Cumulative 1998** R R Bowker Publishing, 1999-03 **Current Contents, April 12, 1999**, 1999 **The Role of Religion in Shaping the Rural Context** Jeffrey A. Ritchey, 2002 Focusing on the great dichotomy of human existence that is the gap between what we do and the values to which we lay claim this study tells the story of a Pennsylvania community that is now only held together by

the local Christian church Choice ,2001 **The University of Chicago Magazine** ,1996 **Forthcoming Books** Rose
Army,1998 Cumulated Index to the Books ,1999 Encyclopedia of World Trade Cynthia Clark Northrup,2005 An
alphabetically arranged encyclopedia designed as a reference tool for those wishing to learn about trade in history and its
