Change Of Command The Serrano Legacy 6:

Change Of Command Elizabeth Moon, 2010-12-02 Lord Thornbuckle Speaker of the Grand Council has been assassinated Battle lines are quickly drawn between powerful Families keen to control the new political order and neighbouring states prepare to defend themselves Even Fleet can no longer be depended on to keep the peace Young Fleet officers Esmay and Barin want simply to marry But nothing is straightforward in these difficult times and especially not for the children of the powerful For Barin is a Serrano the most influential of Fleet families and Esmay the Landbride of the planet Altiplano their elders can see only disaster in the match And as Esmay and Barin struggle to reconcile their families the future of the Familias Regnant hangs in the balance Look out for more information about this book and others on the Orbit website at www.orbitbooks.co.uk *Change of Command* Elizabeth Moon, 2016-12-09 New York Times bestselling author of *Rules of Engagement* Elizabeth Moon continues her grand epic as enemies from both without and within strike at the heart of the Familias Regnant After the suppression of the New Texas barbarians Esmay Suiza and Barin Serrano hoped for a respite to develop their relationship But there is time for neither rest nor pleasure as events around the galaxy push all the great powers towards war When Speaker Lord Thornbuckle is assassinated his daughter Brun finds herself trapped in the machinations of politics and power with the true villain behind her father's death keeping an ever watchful eye on her every move Meanwhile the shadowy criminal empire of the Benignity having already sabotaged the controversial rejuvenation drugs that fuel the Familias longevity is now poised to spread its influence and corruption directly into Familias government On the planet Copper Mountain the once hunted Pilar Bacarion has quietly assumed command of a military prison But she has far greater ambitions in play she will carry out Lepescu's plan to gain control of the Fleet and crack the very foundations of the government But for Esmay and Barin a long forgotten betrayal is about to be revealed a secret that in one moment entangled the fates of both the Suiza and Serrano clans and made them mortal enemies A thoroughly excellent adventure Booklist Political intrigue mutiny in space and ideological battles of war and weapons lend variety to this fast moving space opera set in the distant future Library Journal [The British National Bibliography](#) Arthur James Wells, 2001 [Nemesis](#) Chalmers Johnson, 2007-02-06 The long awaited final volume of Chalmers Johnson's bestselling *Blowback* trilogy confronts the overreaching of the American empire and the threat it poses to the republic In his prophetic book *Blowback* Chalmers Johnson linked the CIA's clandestine activities abroad to disaster at home In *The Sorrows of Empire* he explored the ways in which the growth of American militarism and the garrisoning of the planet have jeopardized our stability Now in *Nemesis* he shows how imperial overstretch is undermining the republic itself both economically and politically Delving into new areas from plans to militarize outer space to Constitution breaking presidential activities at home and the devastating corruption of a toothless Congress *Nemesis* offers a striking description of the trap into which the dreams of America's leaders have taken us Drawing comparisons to empires past Johnson explores in vivid detail just what the unintended consequences of our

dependence on a permanent war economy are likely to be What does it mean when a nation's main intelligence organization becomes the president's secret army Or when the globe's sole hyperpower no longer capable of paying for the vaulting ambitions of its leaders becomes the greatest hyper debtor of all times In his stunning conclusion Johnson suggests that financial bankruptcy could herald the breakdown of constitutional government in America a crisis that may ultimately prove to be the only path to a renewed nation *The New Critique of Ideology* Ricardo Camargo,2016-02-05 This book offers a new ideology critique for political analysis by revisiting Habermas via a i ekian reading The book includes an application of the theory to the case of the political consensus reached in Chile's post Pinochet **Military Review** ,2000
