Change Your Mind Change Your Life Concepts In Attitudinal Healing:

Change Your Mind, Change Your Life Gerald G. Jampolsky, MD, Diane V. Cirincione, 1994-03-01 Most of us want to change the world but only a few of us are willing to change our own minds Yet there is a shift taking place in the world where more and more people are recognizing that it is our own thoughts and attitudes that determine how we look at the world and ultimately what we see This book is for people of all ages religions and cultures who have a desire and a willingness to change the thoughts in their minds *Change Your Mind, Change Your Life* Gerald G. Jampolsky, 1993 *Love Is Letting Go of Fear, Third Edition* Gerald G. Jampolsky, MD, 2010-12-28 After more than thirty years *Love Is Letting Go of Fear* continues to be among the most widely read and best loved classics on personal transformation Both helpful and hopeful this little gem of a guide offers twelve lessons to help us let go of the past and stay focused on the present as we step confidently toward the future Renowned all over the world as the founder of Attitudinal Healing Dr Gerald Jampolsky reminds us that the impediments to the life we long for are nothing more than the limitations imposed on us by our own minds Revealing our true selves the essence of which is love is ultimately a matter of releasing those limited and limiting thoughts and setting our minds free *Love Is Letting Go of Fear* has guided millions of readers along the path of self healing with its deeply powerful yet profoundly humble message Embrace it with an open mind and a willing heart and let it guide you to a life in which negativity doubt and fear are replaced with optimism joy and love *Teach Only Love* Gerald G. Jampolsky, 2011-10-04 Dr Jampolsky believes there is another way of looking at life that makes it possible for us to walk through this world in love at peace and without fear This other way requires no external battles but only that we heal ourselves It is a process he calls attitudinal healing because it is an internal and primarily mental process Jampolsky believes that attitudinal healing when properly practiced will allow anyone regardless of her circumstances to begin experiencing the joy and harmony that each moment holds and to start her journey on a path of love and hope The mind can be retrained Within this fact lies our freedom Our attitudes determine whether we experience peace or fear whether we are well or sick free or imprisoned Love in its true meaning is the attitude that this book is about Love is total acceptance and total giving with no boundaries and no exceptions Love being the only reality cannot be transformed It can only extend and expand It unfolds endlessly and beautifully upon itself Love sees everyone as blameless for it recognizes the light within each one of us is Love is the total absence of fear and the basis for all attitudinal healing The principles of attitudinal healing have been expanded since *Teach Only Love* was first published in 1983 There are now twelve principles which are used in the 150 Centers for Attitudinal Healing around the world Dr Jampolsky believes that these principles have a universal appeal that crosses cultural and religious barriers He has repeatedly seen how people's lives have transformed when these principles became their heartbeat and their way of communicating with others **Shortcuts to God** Gerald G. Jampolsky, MD, 2013-10-09 More than twenty years after the publication of *LOVE IS LETTING GO OF FEAR* best selling author Gerald Jampolsky brings us the highly anticipated sequel

In **SHORTCUTS TO GOD** Dr Jampolsky sheds light on the human longing to be closer to the mystical parts of our lives and teaches us to abandon our fears and embrace honesty forgiveness and love When asked why the sequel has been so long in coming Dr Jampolsky explained that learning about love can be a lifelong expedition one that has continuous cycles of hardship fulfillment and revelation each of which builds on the past to shape the self Fortunately for the rest of us Dr Jampolsky has emerged from his own spiritual journey much the wiser and ready to share the insights and revelations he s gleaned along the way **SHORTCUTS TO GOD** will jump start your journey to love and spirituality whether you re just starting down the path or well on your way to enlightenment
