

Changing the Subject of a Formula

Changing the subject of a formula is a way of rearranging a formula to determine a missing quantity in terms of other quantities. To do this we use inverse operations - exactly the same process we apply to solving equations.

 **Example** Make f the subject of $h = \frac{f+4}{2}$

$$h = \frac{f+4}{2}$$

$\times 2$

$\times 2$

$$2h = f + 4$$

-4

-4

$$2h - 4 = f$$

Changing the Subject Julian Henriques, Wendy Hollway, Cathy Urwin, Couze Venn, Valerie Walkerdine, 2003-09-02
Changing the Subject is a classic critique of traditional psychology in which the foundations of critical and feminist psychology are laid down. Pioneering and foundational, it is still the groundbreaking text crucial to furthering the new psychology in both teaching and research. Now reissued with a new foreword describing the changes which have taken place over the last few years, Changing the Subject will continue to have a significant impact on thinking about psychology and social theory. Changing the Subject J. Myron Atkin, Paul Black, 2005-11 This book is based on a set of stories from teachers and education professionals in thirteen OECD countries. Twenty-three case studies tell of innovations in practice involving school teachers, inspectors, academics, and policy makers. **Changing the Subject in English Class** Marshall W. Alcorn, 2002 Alcorn English and humanities, George Washington U. argues that the gradual shift in the teaching of composition from a curriculum that looked at literature as an attempt to represent reality to one that stresses the subjectivity of the student in decoding texts has incorporated an insufficiently complex understanding of subjectivity. The current cultural studies programs stress political ideas over expressive writing, but Alcorn argues that political ideas will never be right unless there is attention to self-expression. Basing his work in the conceptual world of psychoanalytic theory, he outlines a cultural studies practice that develops anti-ideological identity. Annotation copyrighted by Book News Inc.
