## **Enhance Learning Efficiency When Online Learning is Popular and Indispensable: Theory, Research and Practice**

Rong Lian,Chang Liu ,Juzhe Xi,2024-07-17 Online learning has become more and more common globally whether for comfort adapting to work hours or just having the freedom to study from anywhere And now under the coronavirus pandemic as people are having to stay at home it has become more important than ever Although the popularity of wireless network and portable smart device makes it possible for people to acquire and learn knowledge anytime and anywhere it does not necessarily mean an increased learning performance Relevant research in cognitive science has revealed possible limitations in online learning For example the knowledge acquired through online learning tends to be fragmented and lacks guidance for integrated thinking among different subjects which makes it difficult for learners to form a systematic knowledge structure Learners may experience cognitive overload metacognitive illusion and low learning efficiency in self regulated learning It follows that in the post COVID 19 era online learning puts forward new requirements and challenges to the contemporary students not only to their learning strategies but positive character traits in learning Most of the current learning theories were developed in the early 20th century and may not fit in well with the current situation then possibly leading to inefficient learning and increased learning burden Therefore it is necessary and important to reexplore the influencing factors and mechanisms that affect the learning efficiency of students at all levels nowadays based on which we could construct a theoretical model of efficient learning model **Social Media Marketing All-in-One For Dummies**

Michelle Krasniak,2025-03-31 Share your brand message and connect with your customers There s no way around it social media is everywhere and the savviest businesses are making the most of it With the help of Social Media Marketing All in One For Dummies you too can join the digital era and take your social media accounts to the next level Accessible and comprehensive this guide teaches you to apply your marketing skills to the latest social media platforms allowing you to promote your business reach customers and thrive in the global marketplace Get up to date with information on AI tools and AI generated content as well as voice search short form video content and more Let this Dummies book coach you to social media marketing success Get acquainted with the top social media platforms for business marketing Learn how to create more compelling content with or without the help of AI Consider social commerce and influencer partnerships in your marketing mix Use groups communities and private spaces to build trust and camaraderie This nine in one guide is perfect for social media strategists web site managers marketers publicists and anyone else in charge of an organization s social

media strategy It s also a great choice for entrepreneurs interested in learning how social media can help generate business

Understand Blog Content Writing Aysegul Balkose, 2021-05-17 Story It is about a story the plot and its characters You blog writers are storytellers Here is the twist you are also one of the main characters The blog has an angle for the plot and its perception of the world around it Blog as an entity has an identity the way of thinking and acting It has ideas of its own It is a great help to define these for the blog and yourself as the writer before you start chucking in your best ideas and publishing them Blogs want to be found on Google For this their content

should be countered on the Reader Not everyone will use the same words to search To search relevant content they will use Semantic words Your job is to write content which covers these Semantic search The reason I am writing this book is because it would make me feel so happy if I can help people understand the core concepts of blog writing This was a struggle for me when I started writing blogs I believe that knowing a basic working structure gives people the opportunity to leap forward faster By helping others to decode basic concepts I know I am also helping myself as I embark on another journey of taking responsibility My mission is to make people learn some life changing concepts quicker regardless of where they find themselves in life

**Ai Weiwei, Spatial Matters** Weiwei Ai,Anthony Pins,2014 This book draws on the full breadth of Ai Weiwei s architectural installation and activist work including drawings and plans from huge range of international projects with particular emphasis on his use of space Throughout the book a wide selection of essays by leading critics and art historians as well as interviews with the artist draw out his central concerns Jacket **Library & Information Science**
