### **Collected Poems of Stanley Plumly**

Stanley Plumly, 2025-08-12 The definitive collection of one of the most celebrated poets of his generation and a master of the lyric poem in its richest most flexible registers. Stanley Plumly is one of the most emotionally complex, sustaining and influential American poets of the last fifty years. Born in 1939, Plumly wrote poems that explored the deep interiors of the human heart and mind against a wide backdrop of cultural and historical events. Profoundly personal yet socially astute, his work is both descriptively exact and allusive, engaging nature and art as well as family and friendship. For the two years before his death in 2019, Plumly worked with David Baker and Michael Collier, this book's two editors, to make preparations for the present volume. This *Collected Poems* contains nearly three hundred of his poems, including nine new previously unpublished ones, and stands as a permanent archive of Plumly's achievement in verse. As Plumly wished, *Collected Poems* does not categorize the poems by individual volume but presents a continuum of his lyric accomplishments. This book bears his gifts and his specific blessing, embodying his wish to offer his poems in reverse chronology, tracing back from the present to the very origins of his aesthetic. In every way it is the book Stanley Plumly wanted to be remembered by. *Collected Poems* gathers the full range of Plumly's talent as it charts the development of his unique and enduring contribution to the American lyric. The volume stands as a tribute to Plumly's artistic vision and will be welcomed by his many readers now and in the generations to come.

*The Collected Poems of Langston Hughes* Langston Hughes, 1994 Here for the first time is a complete collection of Langston Hughes's poetry, 860 poems that sound the heartbeat of black life in America during five turbulent decades from the 1920s through the 1960s.

*Collected Poems* Edna St. Vincent Millay, 2011-11-08 One of the greatest American poets of her time, New York Times *Collected Poems* features Edna St. Vincent Millay's incisive and impassioned poetry and sonnets as well as the poet's last volume, *Mine the Harvest*, compiled and published in 1956 by her sister Norma Millay. Alongside Robert Frost, T. S. Eliot, Marianne Moore, and E. E. Cummings, Millay remains among the most celebrated poets of the early twentieth century for her uniquely lyrical explorations of love, individuality, and artistic expression. Millay, winner in 1923 of the second annual Pulitzer Prize for Poetry, was a daring, versatile writer whose work includes plays, essays, short stories, and songs. She infused new life into traditional poetic forms, bringing hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss, betrayal, compassion for one another, social equality, patriotism, and the stewardship of the natural world. This invaluable compendium

of her work is not only an essential addition to any collection of the world's most moving and memorable poetry but an unprecedented look into the life of Millay. My candle burns at both ends. It will not last the night. But ah, my foes, and oh, my friends, it gives a lovely light. First Fig from *A Few Figs from Thistles* 1920 *Collected Poems, 1954-2004* Irving Feldman, 2009-01-16. From a two-time National Book Award finalist and one of America's most revered poets comes a glorious gathering of poems that displays his entire career and confirms his place among the great poets of our time. Irving Feldman is a master chronicler of our collective experience and an overlooked treasure of American poetry. Feldman's rich body of work exhibits his mastery of language from the biblical to the conversational, his Yiddish flair for the comic, his profound social insight and lucidity. He writes about everything from the Coney Island days of his childhood and his bohemian years in postwar New York to the art of Picasso and George Segal from the Holocaust to its aftermath in narrative and dramatic poems and personal lyrics that are by turns ardent, witty, biting, ecstatic, and heartbreaking. Long a favorite among his fellow poets, John Hollander has called his work amazing in its moral intensity. Feldman has remained true to the soul's deepest callings. I have questioned myself aloud at night in a voice I did not recognize, hurried and disobedient, hardly brighter. What have I kept? Nothing. Not bread or the bread word. What have I offered? Rebel in the kingdom, my gift has wanted a grace. *Collected Poems* Vachel Lindsay, 1925. A wide variety of moods and subjects are represented in this collection of poetry that is illustrated with drawings by the author. **The Collected Poems** Stanley Kunitz, 2002. The National Book Award winner celebrates a life in poetry, sharing his work published and unpublished in this single volume of his life's accomplishment. Reprint. **Collected Poems Of Muriel Rukeyser** Janet Kaufman, Anne Herzog, 2006-05-10. Muriel Rukeyser held a visionary belief in the human capacity to create social change through language. She earned an international reputation as a powerful voice against enforced silences of all kind, against the violence of war, poverty, and racism. Her eloquent poetry of witness of the Scottsboro Nine, the Spanish Civil War, the poisoning of the Gauley Bridge laborers, split the darkness covering a shameful world. In addition to the complete texts of her twelve previously published books, this volume also features new poems discovered by the editors, Rukeyser's translations, including the first English translations of Octavio Paz's work, early work by Rukeyser not previously published in book form, and the controversial book-length poem *Wake Island*. An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems. *Collected Poems* Joseph Ceravolo, 2013-05-20. Like an underground river, the astonishing poems of Joseph Ceravolo have nurtured American poetry for fifty years, a presence deeply felt but largely invisible. *Collected Poems* offers the first full portrait of Ceravolo's aesthetic trajectory, bringing to light the highly original voice that was operating at an increasing remove from the currents of the time. From a poetics associated with Frank O'Hara and John Ashbery to an ever more contemplative, deeply visionary poetics similar in sensibility to Zen and Dante, William Blake and St. John of the Cross, this collection shows how Ceravolo's poetry takes on a direct, quiet lyricism intensely dedicated to the

natural and spiritual life of the individual As Ron Silliman notes Ceravolo's later work reveals him to be one of the most emotionally open vulnerable and self knowing poets of his generation Many new pieces including the masterful long poem *The Hellgate* are published here for the first time This volume is a landmark edition for American poetry and includes an introduction by David Lehman Collected Poems, 1945-1990 Barbara Howes, 1995-01-01 Finalist 1995 National Book Award This collection fills in a missing chapter in the history of American women's poetry by bringing a significant voice back into print Barbara Howes has perfected a personal style that had little to do with the fashionable currents of her time Dana Gioia has said of her One sees Howes very clearly as a woman writing in one of the oddest but most important traditions of American poetry She stands with Marianne Moore Elizabeth Bishop and ultimately Emily Dickinson in a lineage of women writers passionately committed to the independence and singularity of the poetic imagination *Collected poems 1945 1990* contains the lifework of one of America's irreplaceable poets Forty years ago in *The New Yorker* Louise Bogan wrote Barbara Howes is the most accomplished women poet of the younger writing generation one who has found her own voice chosen her own material and worked out her own form Miss Howes is daring with language but she is also accurate Her originality stands in constant close reference to the material in hand and although much of that material is fantastic or exotic it is never so simply for its own sake Drawing from seven previous books this collection confirms and consolidates the reputation of Barbara Howes as a timeless poet whose fine voice and surprising insights will continue to delight all lovers of language

*The Glass Constellation* Arthur Sze, 2021-04-13 This book is an overwhelming feast a treasure and more than enough proof that Sze is a major poet NPR National Book Award winner Arthur Sze is a master poet and *The Glass Constellation* is a triumph spanning five decades including ten poetry collections and twenty six new poems Sze began his career writing compressed lyrical poems influenced by classical Chinese poetry he later made a leap into powerful polysemous sequences honing a distinct stylistic signature that harnesses luminous particulars and is sharply focused emotionally resonant and structurally complex Fusing elements of Chinese Japanese Native American and various Western experimental traditions employing startling juxtapositions that are always on target deeply informed by concern for our endangered planet and troubled species Arthur Sze presents experience in all its multiplicities in singular book after book This collection is an invitation to immerse in a visionary body of work mapping the evolution of one of our finest American poets
