Saur Verlag GmbH & Company,Walter de Gruyter GmbH,2005-10 The established reference work Guide to Reprints has been radically reworked for this edition Bibliographical data was substantially increased where information was obtainable In addition the user friendliness of Guide to Reprints was raised to the high level of other K G Saur directories through author title cross references a subject volume a person index and a publisher index In this edition the directory lists more than 60 000 titles from more than 350 publishers

*Reindeer, Rodina and Reciprocity* Aimar Ventsel,2005 Kin based social networks are the main focus of this study of a

hunter herder community in the northwest of the Republic of Sakha Russian Federation The book gives a clear account of the formal organisational changes which have taken place since the demise of socialism and shows how informal relations help local people to cope with increased insecurity both inside and outside formal structures Documenting the strategies used to extend kinship it draws attention to their relevance for understanding the new system of property relations While certain features are the products of a specific history and the local environment the work will appeal to all scholars of Siberia and of postsocialist societies It also contributes to the wider field of herder hunter studies by showing how this combination of roles could persist throughout the Soviet era down to the present day      **Reference Catalogue of Current Literature** ,1920
