The text focuses on five keys to successful essay writing: purpose, focus, material, structure, and style. This distinctive heuristic developed by the author and tested in her classrooms helps students focus on the skills and ways of thinking that will make them stronger writers. Featuring a student-friendly, highly accessible writing style, the text presents clear, specific strategies for writing, combined with student and professional models that are engaging, provocative, and contemporary. An editing handbook is also included for a complete writing resource.
