## Collected Stories Of Philip K Dick 5vol:

The Collected Stories of Philip K. Dick Philip K. Dick, 1990      **We Can Remember It For You Wholesale** Philip K. Dick, 2014-12-22 The fifth and final part of the complete collected stories shows Philip K Dick at the very height of his outstanding powers The twenty five tales were written between 1963 and 1981 just a few months before he died and include two stories which have been turned into box office smashes the title story filmed as Total Recall and The Little Black Box which grew into his masterpiece Blade Runner Absolute masterpiece The story is short and is entirely encapsulated in few conversations in just a single day But the tension of what is real and what is not is great This is a psychological masterpiece Goodreads reviewer I love this story in just a few pages it is a prime example of Philip K Dick s inexhaustible inventiveness and wittiness Here especially I was delighted by the story twist s Although paranoia as an omnipresent theme of his stories sometimes enervates in this story that didn t bother me an iota Goodreads reviewer This book is easily the best ever short story I have ever read The story contains hardly 30 pages But it pulls off being one of the best ever edge of the seat thriller Goodreads reviewer This is a dangerous book and I mean that in the best way possible Dick s own introductory quote about the revolutionary nature of science fiction writing sets the tone for everything to follow Avoid it if you don t feel comfortable descending into the mind of an actual madman Goodreads reviewer      *The Collected Stories of Philip K.
