the more important bas reliefs and this would have been done to a much larger extent had the bills of Flaxman and other modellers been preserved There will be also found a considerable and most interesting list of hitherto uncatalogued bas reliefs In the various papers relating to Wedgwood s fine art works particularly in his letters to his partner Mr Bentley nothing is more obvious than that a large number of his finest bas reliefs medallions and cameos were submitted to a final process of high finish which he terms polishing From 1775 till 1779 when the record of his letters fails us his incessant efforts were directed towards hardening his jasper body so that it might come out sharp from the moulds and be high in finish About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **The Wedgwood Handbook** Eliza Meteyard,2014-02-21 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book     **The Wedgwood Handbook** Eliza Meteyard,1875
