College Writing Skills A Text With Exercises

John Langan

College Writing Skills A Text With Exercises:

College Writing Skills Peder Jones, Jay Farness, 1991-01-01 **College Writing Skills** Peder Jones, Jay Farness, 2002-10 College Writing Skills uses explanation demonstration and practice to teach skills essential to success in college writing For this course Peder Jones and Jay Farness have constructed a framework of rhetoric work in composing paragraphs and essays around disciplined study of sentences and words The authors have sought in each section of the book to combine the most useful features of contemporary and traditional approaches to college English Their overall aim is to enable the beginning college writer to compose clear and effective sentences paragraphs and compositions This new edition of College Writing Skills is a refinement of the four previous editions it has been shaped by helpful comments from students and instructors who have used the course Exercises have been updated and many minor changes for clarity have been made Basic features of this text have not changed however As a hybrid of textbook and workbook it continues to stress focused practice leading to directed independent composing activities it emphasizes student writing rather than students reading about writing This emphasis translates into more than 500 sets of exercises more than 100 optional workshop activities and an Appendix covering special problems in the acquisition of English The exercises in this textbook embody our belief that practice is crucial to improving one's writing skills Accordingly this text provides practice in forming ideas in getting ideas out of one's head and onto paper in experimenting with various sentence structures in order to achieve clarity in following models of correct grammar and effective style and in making the writing process pay off through effective revision and editing A Collegiate Press book **Additional Exercises for Successful College Writing** Kathleen T. McWhorter, 2012-01-16 Because so many first year writing students lack the basic skills the course demands reading specialist McWhorter gives them steady guidance through the challenges they face in academic work Successful College Writing offers extensive instruction in active and critical reading practical advice on study and college survival skills step by step strategies for writing and research detailed coverage of the nine rhetorical patterns of development and 61 readings that provide strong rhetorical models as well as an easy to use handbook in the complete edition McWhorter's unique visual approach to learning uses graphic organizers revision flowcharts and other visual tools to help students analyze texts and write their own essays Her unique attention to varieties of learning styles also helps empower students allowing them to identify their strengths and learning preferences Read the preface College Writing Skills, with Readings John Langan, 2005 **College Writing Skills, Media Edition** John Langan, 2003 **College Writing Skills, Media Edition** John Langan, 2002-07-01 I long ago lost count of the number of instructors who have told me that the Four Bases really work When you explain the four bases to students and make the bases really clear with a lot of activities students get it You can see the light in their eyes John Langan About the Book Highly regarded and used by countless students this effective rhetoric handbook is ideal for freshman writing courses that focus on the essay College Writing Skills features the successful Langan

approach that focuses on the four essentials of writing unity support coherence and sentence skills About the Media Edition This media enhanced version of John Langan s College Writing Skills improves the link between the text of the fifth edition and the media supplements developed and class tested to complement the text s pedagogy Each of the 45 chapters features new icons that let students and instructors know where to find additional exercises extended explanations and supplemental resources for the topic at hand
