The Homeschooling Father, How and Why I got started Salatiso,2023-11-18 A courageously and brilliantly written tell it like it is summation of the challenges endemic in education in Mzansi and elsewhere frankly and the knock on effect that permeates society and employment With its

entrenched culture of entitlement patronage cadre deployment and good old fashioned construction mafia shakedown the narrative is both gripping and enlightening More refreshing still is the hope offered by the author in the way of solutions and a can do spirit not just another list of only problems This author and writing is one of South Africa s best kept secrets as far as I am concerned Among other things it is inspiring me to seriously contemplate homeschooling my children though it covers so much more ground than that alone Do yourself a favour and read this work Share it widely and often Kudos Salatiso Thanks for the inspiration James Jimmy Duly MSc Adult Ed World s Most Reality based Operations Management at University of KwaZulu Natal
